Kill Zone A Sniper Looks At Dealey Plaza:

Kill Zone Craig Roberts,1994 This is the outcome of six years of investigation into the Kennedy assassination by former U S Marine sniper and veteran police officer As an experienced combat marksman Roberts believes Lee Harvey Oswald could not have committed the murder What follows is an in depth intensely researched report that deals with the issues that still challenge us today *Dead Wrong* Richard Belzer,David Wayne,2012-08-14 A New York Times Best Seller

JFK - The Conspiracy and Truth Behind the Assassination John Hughes-Wilson,2023-10-26 The killing of US President John F Kennedy in Dallas Texas in November 1963 sent a shockwave around the world The charismatic young Democrat was seen as a beacon of hope in the West but his liberal reforming policies had made him many powerful enemies at home For sixty years numerous theories have swirled around this key event in American and world history Yet whatever the conclusions of the official Warren Report that the President had been assassinated by a lone gunman Lee Harvey Oswald many people doubt that to be true Indeed President Nixon later admitted on tape that the report was a hoax committed on the American people John Hughes Wilson a former colonel in British Intelligence has sifted through the millions of words and thousands of pieces of evidence to put together an intelligence assessment of what really happened that dreadful high noon in Dallas in 1963 John Hughes Wilson highlights the facts behind why Marilyn Monroe had to be silenced LBJ s corrupt secrets the Kennedys secret Cuban coup plans how the Mafia manipulated politicians and the CIA and how the assassination was covered up Reading this astounding book no one can be in any doubt that JFK s death was not at the hands of a lone deranged gunman but a deadly plot to remove a President who threatened vested interests at home and abroad *Who Really Killed Kennedy?* Jerome Corsi,2021-04-12 Almost nothing gives rise to more national intrigue than the murder of an American president And on November 22 2013 the nation remembered the 50th anniversary of one of the most traumatic events in modern American history the assassination of President John F Kennedy From day one the truth behind JFK s assassination has been mired in controversy and dispute The Warren Commission established just seven days after Kennedy s death delved into the who what when and where of the tragedy and over the course of the following year compiled an 889 page report that arrived at the now widely contested conclusion Lee Harvey Oswald was the sole assassin In *Who Really Killed Kennedy* No 1 New York Times best selling author Jerome R Corsi Ph D provides readers with the ultimate JFK assassination theory book *Honest Answers about the Murder of President John F. Kennedy* Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest

answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **The Jfk Assassination** Don Becker,2010-12-31 Revised February 2011 I called the book a researchers guide for a reason This book is a compilation of the material I read about the assassination but in a totally different format Easy to read direct and to the point I tried to give as much information as possible Obviously I could not possibly put all the information in one book so I was a bit selective in the data I recorded It contains numerous aspects of the case and nearly every line will lead the researcher to the source of the information so they can continue to look into that particular topic When I started my research my goal was to prove Lee Harvey Oswald did not murder John Kennedy By the time I proved Oswald did not shoot Kennedy I noticed Oswald did not shoot Tippett either Noting where he was seen before the shooting and where he was after the shooting will prove he was not at the window at 12 30pm I will prove my point I determined Oswald did not have time to get into position to do the shooting The motorcade was scheduled to pass the Book Depository at 12 25 pm Oswald was in the lunch room at 12 15 and Bonnie Ray Williams was on the 6th floor alone until 12 20 A good sniper would have been in position well in advance of his preys expected arrival which Oswald was not But wait theres more Looking at some of the evidence from a totally different perspective I was able to prove a conspiracy I compared the wounds with the Bullet count and the time statistics of the rifle I assure you no one has looked at it from this viewpoint The closest any author came to mentioning this concept was Harrison Livingstones book High Treason They Killed Our President Jesse Ventura,2013-10-01 Unless you ve been living under a rock for the past fifty years you re aware of the many hypotheses that the assassination of President John F Kennedy was not done by one man Whether you ve read one or a dozen of the books on this topic there s no way to fully grasp the depth of this conspiracy For the first time ever New York Times bestselling authors Jesse Ventura and Dick Russell have teamed up with some of the most respected and influential assassination researchers to put together the ultimate compendium that covers every angle from the plot to the murder of JFK They Killed Our President will not only discuss the most famous of theories but will also bring to light new and recently discovered information which together shows that the United States government not only was behind this egregious plot but took every step to make sure that the truth would not come out With 2013 marking the fiftieth anniversary of JFK s assassination this is the perfect time for They Killed Our President to be available to readers The research and information in this book are unprecedented and there s nobody better to bring this to everyone s attention than the former governor of Minnesota and US Navy SEAL Jesse Ventura *The Assassination Chronicles* ,2001 *To Kill a President* M. Wesley Swearingen,2008 Finally An Ex FBI agent rips away the veil of secrecy exposing FBI treason in the cover up of the CIA s twisted resolve to kill JFK He names CIA trained Cuban exiles Gangsters and bad cops *The Kennedy Assassination Cover-up Revisited* Donald Gibson,2005 The objective of this project is to basic research of stability and transition of
