tried to find my voice but only a croak came out and I felt myself break out in the sweat I'd hurry if I were you Mr Stone
doesn't like to be kept waiting she said not looking up from her computer screen But I'm meant to be working as a records
clerk I protested I'd only been at Stone Black for three days and I'd already been promoted And now you're an executive
assistant Take these with you Good luck with your short term career She handed me an elevator fob and waved her hand at a
stack of papers I picked up the papers and headed in the general direction of the elevator trying to work out whether I should
just walk out the front door And what did she mean by short term career Executive Assistant to Mr Jackson Stone The CEO of
Stone Black and reputed to be a mercurial tyrant who hired and fired people on a whim I'd only seen his picture on the web
various charity balls meetings with government officials and what could I say The man was hot Tall with blond hair and blue
green eyes he was a billionaire to boot In every photo he seemed to be wearing a scowl as though there was a volcano inside

him barely held in check I got halfway to the elevator before I decided to bail on my plan The Stone Black corporation had practically destroyed my home town of Bedford and then gotten away with it via various sneaky legal maneuvers I thought being hired in the records department was the perfect way to discover something that could topple the whole business I knew it had been too perfect to get that job and after only three days I had been promoted to executive assistant I turned abruptly and crashed directly into a man who d been striding behind me I dropped the papers to the ground along with my bag Bits and pieces went everywhere Oh I m sorry I stammered trying to pick up all the papers at once from the floor A red leather briefcase came down next to my handbag and its contents strewn across the floor The man scooped up the contents and put them back into the bag as I gathered the papers Ms Neri I swallowed again and croaked something that could possibly have been yes as I followed the line of an Italian suit up to two blue green eyes Jackson Stone CEO of Stone Black
