Chris Allaun, 2023-10-30. *The Black Book of Johnathan Knotbristle*. A Devil's Parable. Guide for Witches offers an engaging hands-on manual of old style Witchcraft disguised in the creatively woven words of the Devil's parable. Chris Allaun, drawing on his decades of experience in the study and practice of Witchcraft, utilizes storytelling to illustrate how a Witch could have found compact and thus power through communion with the figure known as the Devil. Each chapter is a new lesson told from the perspective of our main character, Johnathan Knotbristle, that he in turn learns from the Devil. The second part of the book is the actual grimoire that offers the reader step-by-step instructions for working the acts of magic referenced in part one. It includes workings to create the Devil's Stang, methods of entering trance, instructions on spirit conjuration, and much, much more. *Knocking the Neighbors. The eight crazy cousins needed to decide where they were going on vacation this year. After finally making up their mind, it was decided to go to Olive's house. Since they would be there on Halloween, they thought some fun activities might be just what they needed. A couple of the ladies have been experiencing some problems, so it was unanimous with the others to do

some fun activities to boost their spirits They did have fun but everything comes with a price The cousins went to a large house that was rumored to be haunted Instead of seeing ghosts the house was inhabited with boys who had medical problems Everything was a bed of roses until one of the cousins were taken away by the boys who had weapons Knocking the
