,1997-05 Cruising World ,1996-01 *Boating* ,1995-01 **The Law of Patents** Craig Allen Nard,2008 Rich in doctrine
policy and theory The Law of Patents offers a logical and comprehensive treatment of patent law This casebook is more lean
in nature than competing textbooks yet covers all the main topics in an accessible manner for students it offers helpful
introductory text preceding each chapter and case or set of cases technologically accessible cases detailed comments
following the principal cases highlighted statutes for easy reference and uniquely offset comparative and policy perspectives
More succinct than others of its kind this casebook offers everything your students need to master the subject of patent law a
lean yet comprehensive format covers all of the main topics of patent law a logical and accessible sequencing of chapters
helpful introductory text precedes each chapter sub section and case to give students insight into what is covered and a
general doctrinal policy framework of the materials to follow comments following the principal cases provide students with
details on the case delve into the doctrine and policy in a more extensive manner and provide citations of secondary
literature perspectives throughout the book shaded and offset from the main text There are two types of perspectives
comparative perspectives explore the comparative international aspects of any given use policy perspectives discuss a
theoretical point or relevant policy debate relevant statutory section numbers are identified at the beginning of each chapter
to alert the student which statutes apply To The following materials relevant statutory provisions are included in a separate
section of the text and are marked off by a black band on the side of the book for easy access eliminating the need for
students to buy a separate statutory supplement and increasing the likelihood that they will read the relevant statutes many
chapters have extensive citations to academic literature which provides students and instructors with guidance if they choose
to dig deeper into the subject matter a companion website provides a fast and convenient means to disseminate judicial and
legislative updates and includes PDF files of all of the patents in suit discussed in the principal cases The complete
prosecution history of the pizza box patent explored in Chapter One As well as historical documents and links to important
patent law sites and documents PowerPoint slides available for adopters for classroom use An author website to support
