## **La Fragilité Des Personnes Âgées Définitions Controverses Et Perspectives D'action:**

**La fragilité des personnes âgées** François Béland, Albert Lautman, Hervé Michel, 2013 La notion de fragilité s'est imposée dans la pratique clinique gériatrique où elle est devenue le diagnostic phare de cette spécialité médicale. Elle suscite également l'intérêt de la Santé publique qui s'interroge sur les défis du vieillissement pour la santé des populations. Elle a été reprise par des conceptions sociales du vieillissement qui en additionnant ses composantes gériatriques des dimensions sociales et psychosociales ont largi son domaine d'application. Enfin elle s'est alliée de nouvelles approches de politiques publiques en fixant les limites des interventions publiques sur les populations dites vulnérables. Avec la participation de médecins gériatres, de psychiologues et de sociologues français et étrangers, ce livre dresse le parcours de la notion de fragilité et propose des pistes de réflexion pour l'avenir.
