Wayne Breitbarth, 2019-04-02 4th edition of the world's most popular LinkedIn handbook completely revised and updated including tips for the mobile app Many LinkedIn books focus solely on creating a killer profile But LinkedIn is not a spectator event You can't just show up and wait for people to come to you LinkedIn is a professional networking community and opportunities abound to make real money and advance your career In addition to helping you create a magnetic professional profile this book will show you how to develop a comprehensive strategy for achieving your business and career goals Over 100 000 professionals have already used Breitbarth's LinkedIn secrets to land lucrative new customers and top notch employees grow their businesses and brands and find great new jobs And most people have only scratched the surface of LinkedIn's potential The Power Formula for LinkedIn Success will help you Set yourself apart from the LinkedIn masses and build a powerful professional network Attract and engage with people who need your products services or skills Locate the right people for business partnerships and revenue opportunities Discover insider information about employers customers and competitors Find a great new job many times when you're not even looking for one LinkedIn is one of the most powerful business tools on the planet and The Power Formula for LinkedIn Success is your perfect step by step guide to mastering it

**Leveraging LinkedIn** Fred Coon, David Meadows, Denise Rutledge, 2014-01-30 You are in a contest where there is only one winner They will not hire two of you for the same job The job applicant who has a LinkedIn profile is ahead in the competition And the job applicant who has an optimized LinkedIn profile is even further ahead The majority of recruiters 95% and companies 84% use LinkedIn to find their talent Of course they still review resumes But the truth be told most of the recruiters in America are younger They revel in online activity They use LinkedIn When a recruiter or a company wants to find a specific set of skills they go to LinkedIn and search However if you think slapping your resume up on LinkedIn is the solution to that problem then you are not being seen by the majority of companies or recruiters Why Because a properly optimized LinkedIn profile will be easily found and a slapped up job won't It is as simple as that If you don't know what the tricks to doing this are then you are already a step behind your competition Don't be like 95% of job seekers who know they must have LinkedIn and simply slap their resumes up there and then say to themselves What a good job seeker am I LinkedIn has secrets It has codes If you understand what those secrets and codes are you WILL be found by recruiters and companies seeking talent like yours This book has both narrative AND screen shots showing you step by step exactly what to do and how to configure your profile so that you get the results you want These are the same tactics Stewart Cooper Coon teaches their

senior executives as they go through their search processes Now you too can learn the simple LinkedIn tricks that will help you be found quicker and put job search success at your fingertips Do yourself a big favor don t play catch up move ahead of 95% of the rest of America and set your LinkedIn profile up correctly
