

When you buy a Lionel train set, you also get a Lionel transformer. This transformer is the heart of the set, and it is the one that makes the train run. It is a very important part of the set, and it is the one that you should take care of. The transformer is a black, cylindrical device with a red plug. It is connected to the train set by a black power cord. The transformer is the one that makes the train run, and it is the one that you should take care of.
