Carmack, 2009 Ignatius Critical Editions ICE Study Guides are constructed to aid the reader of ICE classics to achieve a level of critical and literary appreciation befitting the works themselves They give introductions and summaries followed up with in depth considerations of key critical moments and themes plus lists of points to ponder while reading Finally they include questions to test the students knowledge of the text and ability to go from that knowledge to wider or higher conclusions about the works and their relation to reality Ideally suited for students themselves and as a guide for teachers the ICE Study Guides serve as a complement to the treasures of critical appreciation already included in ICE titles **English Literature: an Introduction and Guide to the Best English Books: a Handbook for Schools and Readers** Edwin Lillie Miller, 1917

**Pride and Prejudice** Jane Austen, 2020-04-02 Pride and Prejudice is a romantic novel of manners written by Jane Austen in 1813 The novel follows the character development of Elizabeth Bennet the dynamic protagonist of the book who learns about the repercussions of hasty judgments and comes to appreciate the difference between superficial goodness and actual goodness Its humour lies in its honest depiction of manners education marriage and money during the Regency era in Great Britain Mr Bennet of Longbourn estate has five daughters but his property is entailed and can only be passed to a male heir His wife also lacks an inheritance so his family will be destitute upon his death Thus it is imperative that at least one of the girls marry well to support the others which is a motivation that drives the plot The novel revolves around the importance of marrying for love not for money or social prestige despite the communal pressure to make a wealthy match Pride and Prejudice has consistently appeared near the top of lists of most loved books among literary scholars and the reading public For more than a century dramatic adaptations reprints unofficial sequels films and TV versions of Pride and Prejudice have portrayed the memorable characters and themes of the novel reaching mass audiences **Pride and Prejudice Book (Complete Novel with Annotations)** Jane Austen, 2019-08-29 This is the complete novel Pride and Prejudice with a study guide and biography of Jane Austen Published in 1913 Pride and Prejudice by Jane Austen is a novel centered around character development hence it may be classified as a novel of manners It chronicles the behavioral development of certain characters among whom Elizabeth Bennet is key Set in Longbourn and environs in Hertfordshire as well as Derbyshire the novel focuses on the imprints of pride and prejudice on how people relate with and view others in the society Although it addresses core societal issues such as pride class division and segregation money love and marriage as well as education Pride and Prejudice is rife with comic situations assumptions first impressions misconceptions and eventual discoveries of true behaviors The culture projected in the novel is that of the Classic English society United Kingdom in which regency was

the ruling system and the society was stratified into the higher class and the lower class or put differently the new money and the old money and value was placed so much on inheritance Mobility from the lower class to the upper class was almost impossible and extremely difficult but could be achieved through marriage However members of the privileged class were socially forbidden from marrying from the underprivileged class This plays a large role in the development of the events in the novel Whereas members of the underprivileged class represented by the Bennet family are considered uncouth but ambitious to sneak into upper class through marriage members of the privileged upper class exemplified by characters such as Lady Catherine and the Bingley family are thought to be proud and domineering As a result there is hardly a union between members of both classes When there is it is often not because of love but for material gains However these stereotypic order is defied by a few characters in the novel Contrary to popular belief Elizabeth marries Darcy mainly for love She refuses to conform to societal dictates regarding marriage Although she was brought up in the same culture and is also guilty of assuming that all those in the upper class are the same she grows out of this behavior over time In the same vein Darcy and Bingley defy the normal attitude expected of the upper class Although Darcy initially fails to express his feelings for Elizabeth because of the class difference he eventually develops in character and grows into Jane Austen's ideal member of the upper class He does not only begin to treat people politely he ends up proposing to Elizabeth twice before marrying her based on true love In this review we have provided a carefully prepared study guide to answer all your questions concerning Jane Austen's *Pride and Prejudice* A complete summary of all sixty one chapters segmented into short readable bits Relatable and straightforward analyses of all chapters Major themes and implied themes in the novel Character list of both major and minor characters A review of Jane Austen's personal life and writing career What you are about to read is one of the most comprehensive and simple go to summary and analysis of *Pride and Prejudice* This review is highly recommendable to students literary scholars as well as every book lover looking to better understand and appreciate this novel
