Liturgical Ordo For 2014:

From Page to Proclamation Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer's philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshiping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration

The Poetry of Ennodius Bret Mulligan, 2022-01-31 The Poetry of Ennodius offers the first translation into English verse of the entire eclectic corpus of sacred and secular poetry by Magnus Felix Ennodius c 473-452 CE amply supplemented by detailed notes that elucidate the literary and cultural references essential for understanding this poet Ennodius poetry offers the reader a remarkable window into how Roman literary culture continued to thrive in the aftermath of the traditional fall of Rome in 476 CE A prolific writer of prose and poetry Ennodius played an active role in the political and ecclesiastical disputes of Ostrogothic Italy and he stands as an important exemplar of late antique literary culture Readers of this volume will encounter esteemed bishops delicate objects pets stately churches fools villains and more in vivid panegyrics travelogues hymns epistles and epigrams found in the sweeping poetic archive assembled after Ennodius death From the grandiose Declamation for the

anniversary of the holy and most blessed Bishop Epiphanius in his 30th year as bishop of Pavia to self deprecating descriptions of silverware that bears the poet's image Ennodius poetry sports with the expectations of his audience composing verse that modulates from the beautiful to the conventional to the stunningly unusual while always displaying an intimate knowledge of the literary traditions in which he writes and a deep engagement with previous authors both from the distant classical past and the contemporary world of late antique prose and poetry Through these poems the reader can gain an appreciation of the intellectual and aesthetic world of an important bishop and future saint in the early sixth century CE Featuring a lucid line by line verse translation from the Latin and extensive notes both firsts in English richly introduced by a scholarly introduction to Ennodius his works and era and complemented by a comprehensive bibliography The Poetry of Ennodius makes these works accessible for the first time to readers unfamiliar with Latin as well as those seeking a guide into the labyrinthine literary world of this challenging but rewarding poet Students of the classics late antique and medieval history comparative literature and early Christianity as well as any independent reader interested in the enduring presence of classical Latin verse will benefit from this book The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license
