imagination unequal to the enormity of these issues And why is this gulf particularly apparent to young New Zealanders These questions sit at the centre of Max Harris s New Zealand project This book represents from the perspective of a brilliant young New Zealander a vision for confronting the challenges ahead Unashamedly idealistic The New Zealand Project arrives at a time of global upheaval that demands new conversations about our shared future Measuring Welfare beyond Economics Claudio O. Delang,Yi Hang Yu,2015-06-26 Dissatisfaction with the Gross Domestic Product GDP as an indicator of a country s development or a population s wellbeing led to the development of the Genuine Progress Indicator GPI The GPI is an aggregate index of over 20 economic social and environmental indicators and accounts for both the welfare benefits of economic growth and the social and environmental costs which accompany that economic growth The result is better information about the level of welfare or well being of a country s population This book measures the GPI of Hong Kong and Singapore from 1968 to 2010 It finds that for both countries economic output as measured by the GDP has grown more than welfare as measured by the GPI but important differences are also found In Hong Kong the GPI has grown for the whole period under consideration while in Singapore the GPI has stalled from 1993 This is in line with most countries and is explained by the threshold hypothesis which states that beyond a certain level of economic development the benefits of further economic growth are outweighed by even higher environmental and social costs The book argues that the growth of Hong Kong s GPI is due to its favourable relationship with China and in particular its ability to export low wage jobs and polluting industries rather than successful domestic policies A stalling or shrinking GPI calls for alternative policies than the growth economy promoted by neoclassical economists and the book explores an alternative model that of the Steady State Economy SSE Current Consumer Cases ,2012 **Yojana** ,2012 California Cooperative Oceanic Fisheries Investigations Progress Report ,2012 The Times Index ,2008 Indexes the Times and its supplements **St. Louis Daily Market Reporter and Merchants Exchange Price Current** ,1918 **Government Reports Announcements & Index** ,1994-04 **Annual Report** India.
