**Hyper-Grace** Michael L. Brown, 2014 How do our sins affect our relationship with God Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God's Word has been attacked throughout church history Today's assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40:8 The grass withers the flower fades But the word of our God stands forever The Times Index, 2013-03 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement

**Hope for the Afflicted** Jairo de Oliveira, 2023-06-29 There is a humanitarian disaster unfolding before our eyes a global tragedy that affects men women and children We are referring to the largest humanitarian crisis of our generation which has shaped our world and produced over 100 million people forcibly displaced globally Amid such a challenging scenario the global church is called to consider some unavoidable questions such as How can Christians respond to the current migration crisis What are some resources available to Christians to help them transform this tragic reality What are some strategic approaches for bringing hope to asylum seekers and refugees In this book Jairo de Oliveira deals with these and many other related questions based on his interactions with the Fur a Muslim people group from Darfur Sudan living as asylum seekers and refugees in Jordan in the Middle East After providing a thorough historical background and cultural analysis of Fur the author commends a contextualization model and fruitful practices that emerged from his study of the people Hope for the Afflicted serves as a manual and practical guide for those who feel called to engage the current migration crisis by proclaiming the hope of the gospel and discipling asylum seekers and refugees worldwide *The World and the Word* Dr. Herbert L. Green Jr., 2015-11-30 Jesus very presence on the scene as the New Testament age was unfolding 1st century A D engendered opposition created conflict while ushering in grace His ideas by the accounts of many were radical for his time first century and even today in the twenty first century Why is this so The NIV Archaeological Study Bible 2005 NIV Student

Bible 2002 and on careful examination of corroborating Extra Biblical evidence provide a context for the Word view about Jesus Both Bibles also support aspects of the social and physical sciences worldview in terms of cultural socioeconomic political historical archaeological and philosophical apologetics evidence As the pages of The World and the Word unfold there is a kind of internal consistency with both the worldview social sciences and word view the Bible However where such consistency appeared to diverge this author attempts to filter out the noise by applying critical thinking criteria to a worldview that may not be consistent with the word view The goal of this book therefore is to provide some exposition Greek for apologia of the Word and see how the World fits Born again Christians can be credible social scientists and not compromise Gods Word the Bible Two reviewers of a draft of this book should be mentioned here Mrs Gradye Mattera and Mrs Line pronounced Lynn Green Their input was important honest and helpful in this book effort However in the end they bear no obligation for the final printed version To this I accept full responsibility After thoughtful reading of the book please send reflective comments to Dr Herb Green at hgreen48d yahoo com Use the phrase World Word 1st ed in the Subject line Thank you

**A Catholic Engagement with Latter-day Saints** Francis Beckwith,Richard Sherlock,2024-12-09 In this unique work a collection of Catholic scholars address several theological topics about which Latter day Saints and Catholics hold contrary beliefs the Great Apostasy the papacy the Eucharist the Trinity the Incarnation the nature of God justification sainthood liturgy and deification The contributors some of whom are converts to Catholicism from Mormonism offer a respectful though critical analysis of the beliefs of the Church of Jesus Christ of Latter day Saints Catholics have done very little thinking about or interaction with Latter day Saint theological beliefs The Catholic Church has focused virtually all its ecumenical efforts on the ecclesial communities that arose from the Reformation the Orthodox Churches and Judaism Left out of these discussions has been the LDS church even though by 2016 it had grown to nearly sixteen million members internationally from its modest beginnings in 1830 This work examines the LDS faith as an important and serious challenge to the Catholic narrative of the origin and development of the gospel of Jesus Christ Absent the ad hominem attacks and lurid historical details that are often found in popular Christian assessments of the LDS church this book is intended by its editors to lead to further dialogue and better understanding

**Killing King** Stuart Wexler,Larry Hancock,2015-04-01 At approximately 6 pm Eastern Standard Time on April 4 1968 Martin Luther King Jr one of America s great moral leaders was assassinated in Memphis Tennessee The largest manhunt in FBI history eventually resulted in the capture of James Earl Ray a career criminal who had escaped from prison in April 1967 Ray entered a guilty plea and confessed his guilt before a judge but immediately following his conviction he recanted his confession and insisted on his innocence until his death in 1998 For decades Americans debated issues of the crime with a new congressional investigation in the 1970s concluding that Ray was guilty but part of a larger conspiracy Using new data interviews and data mining techniques we are closer than ever to an accurate accounting of how Dr King died and most importantly why he was killed
