Martin Parrott Grammar For English Teachers:

Grammar for English Language Teachers Martin Parrott, 2010 Introduction to nouns articles adjectives More about verbs and related forms Sentence constituents and word order

Grammar for English Language Teachers Martin Parrott, 2000-03-30 Grammar for English Language Teachers helps teachers to develop their overall knowledge and understanding of English grammar and provides a quick source of reference in planning lessons and clarifying learners problems Each chapter includes a Typical difficulties section which explores learners problems and mistakes The book encourages teachers to appreciate the range of factors which affect grammatical choices but also introduces the rules of thumb presented to learners in course materials The Consolidation exercises provide an opportunity for teachers to test the rules against real language use and to evaluate classroom and reference materials The book is organised thematically but also provides a short cut index at the beginning for ease of reference There is also a Cambridge ELT website with further chapter by chapter extension exercises to accompany the book

A Concise Grammar for English Language Teachers Tony Penston, 2005 A Concise Grammar for English Language Teachers excels at actually making grammar easy to understand easy to master easy to apply in the classroom Its underlying aim is to help teachers become au fait with the terminology used in modern ELT coursebooks and to build confidence in their ability to explain grammar rules both structural and functional Among the bold innovations with this book is its A4 size which more readily accommodates the plentiful and highly commended tables of grammar items It is also the first English teacher s grammar to use tree diagrams to show sentence constituents in full clarity Other strengths include the many excerpts from coursebooks and resource books plus the excellent practical tips throughout

Teaching English: A Practical Guide for Language Teachers Graeme Ching, 2019-12-09 Designed as an all in one guide this practical concise and easy to use text is meant for courses offering instruction to students who are training to become language teachers in North America and abroad Using practical examples integrated tasks sample activities and lessons and review questions the text introduces readers to key topics including course design lesson planning and classroom management It also identifies how to teach speaking listening reading writing vocabulary grammar and pronunciation with special attention to language acquisition and intercultural communication This book was previously self published as Teaching English A Practical Guide which won the 2017 TESL Canada Innovation Award for Teaching Training Resource Materials This edition has been well updated and includes a new section on using technology in the classroom expanded coverage of assessment and new questions and suggested further readings in each chapter

How to Teach English Jeremy Harmer, 2007 Demonstration clips of good teaching practice for all language skills also includes discussions and teacher reflection

Teaching English Abroad Susan Griffith, 2017-03-21 Are you looking for an exciting opportunity to travel and work abroad Teaching English as a foreign language is a fun and rewarding career choice if you want to see the world Whether you re a trained teacher newly qualified or want to travel the globe Teaching
