Tools Of Titans Timothy Ferriss, 2016-12-06 The latest groundbreaking tome from Tim Ferriss the 1 New York Times best selling author of *The 4 Hour Workweek* From the author For the last two years I've interviewed more than 200 world class performers for my podcast *The Tim Ferriss Show* The guests range from super celebs Jamie Foxx Arnold Schwarzenegger etc and athletes icons of powerlifting gymnastics surfing etc to legendary Special Operations commanders and black market biochemists For most of my guests it's the first time they've agreed to a two to three hour interview This unusual depth has helped make *The Tim Ferriss Show* the first business interview podcast to pass 100 million downloads This book contains the distilled tools tactics and inside baseball you won't find anywhere else It also includes new tips from past guests and life lessons from new guests you haven't met What makes the show different is a relentless focus on actionable details This is reflected in the questions For example What do these people do in the first sixty minutes of each morning What do their workout routines look like and why What books have they gifted most to other people What are the biggest wastes of time for novices in their field What supplements do they take on a daily basis I don't view myself as an interviewer I view myself as an experimenter If I can't test something and replicate results in the messy reality of everyday life I'm not interested Everything within these pages has been vetted explored and applied to my own life in some fashion I've used dozens of the tactics and philosophies in high stakes negotiations high risk environments or large business dealings The lessons have made me millions of dollars and saved me years of wasted effort and frustration I created this book my ultimate notebook of high leverage tools for myself It's changed my life and I hope the same for you

Step Into Nature Patrice Vecchione, 2015-03-31 The natural world has inspired artists seekers and thinkers for millennia but in recent times as the pace of life has sped up its demands have moved us indoors Yet nature's capacity to lead us to important truths to invigorate and restore our imagination and equilibrium is infinite *Step Into Nature* is a guide to make nature personal again to stimulate awareness and increase our understanding of the environment while inspiring readers to develop and strengthen their imaginations But being in nature doesn't mean flying off to remote faraway places Nature is as close as

opening your front door the sky above the miniature gardens that insist their way up between the sidewalk cracks the river just down the road Patrice Vecchione shows readers how nature can support and enhance their own creative output invigorate their curiosity and restore their sense of connection to the earth Plus included in each chapter is The Cabinet of Curiosities exercises and suggestions for practical and unexpected ways that readers can stimulate their imaginations deepen their relationships with nature and experience the harmony between creativity and the natural world
