Holy Faces Julie K. Ageson, 2023-12-05 This eclectic perhaps quirky collection of reflections celebrates a longing to know who we are who and what God is and what the world is like In joy and sorrow each one mirrors the holiness of life eliciting reverence for ourselves the natural world and the mystery of what it means to be Each conveys a sense of awe and wonder while pointing beyond mere observation a deeper and more profound encounter than may first meet the eye The faces of poets Mary Oliver and Brian Doyle help illumine the natural world The faces of prophets Brian Blount Desmond Tutu and John Lewis inspire engagement and action Julian of Norwich continues to astound and astonish with her discerning writings and visions And the Buddha in his last hours admonishes frightened villagers to make of yourselves a light Readers will be reminded of faces from the recent pandemic and the grief of suicide together with the joy of new life In faces known and unknown this book honors holy faces that grace our lives These are faces where I see God *American Ecclesiastical Review* Herman Joseph Heuser, 1921 **Singing, Soldiering, and Sheet Music in America during the First World War** Christina Gier, 2016-10-19 An advertisement in the sheet music of the song Goodbye Broadway Hello France 1917 announces Music will help win the war This ad hits upon an American sentiment expressed not just in advertising but heard from other sectors of society during the American engagement in the First World War It was an idea both imagined and practiced from military culture to sheet music writers about the power of music to help create a strong military and national community in the face of the conflict it appears straightforward Nevertheless the published sheet music in addition to discourse about gender soldiering and music evince a more complex picture of society This book presents a study of sheet music and military singing practices in America during the First World War that critically situates them in the social discourses including issues of segregation and suffrage and the historical context of the war The transfer of musical styles between the civilian and military realm was fluid because so many men were enlisted from homes with the sheet music while they were also singing songs in their military training Close musical analysis brings the meaningful musical and lyrical expressions of this time period to the forefront of our understanding of soldier and civilian music making at this time **Where Are the Poor?** Philip D.
