Motorcycle Rentals Sydney Australia:

Sydney & Australia's New South Wales Holly Smith, 2011-04-15 Following is an excerpt from this extensive little wonder with attractions ranging from famous museums gardens and zoos to dozens of dazzling beaches And the activities are endless Bush hiking and bike tracks harbor cruises and water excursions and high powered flights above the whole scene In short Sydney is the country's showpiece for holiday and adventure The continent's most active port city Sydney actually sits inland of the Pacific around nine mi 15 km inland from the coast along the Port Jackson waterway which itself is carved into numerous smaller islands and bays Surrounding the harbor are great patches of pine and semi tropical forests which quickly lead up into the bumpy foothills of the Great Dividing Ranges This is eucalyptus territory where the arid environment of blue gums is colored by a heated haze given off from the leaves hence the region's name OCo the Blue Mountains Also of the more than 70 national parks throughout New South Wales more than a handful are settled right around Sydney itself OCo the coastal Royal National Park the northern Wollemi National Park and the western Blue Mountains National Park among them With its diverse personalities multicultural flavors and sophisticated yet down to earth airs Sydney offers something for every traveler It's a place where history culture activities and adventure are blended into a well run and engaging metropolis where locals take pride in their heritage and guests are welcomed like friends Massive transport systems provide a choice of city wide links that are clean quick and cheap food runs from simple Australian to worldly gourmet and endless accommodation options spread from ocean to mountains With 224 million acres 80 million plus hectares the large state of New South Wales has a continually changing landscape which delves into some of Australia's best scenes The classic golden sand beaches form a string along the east coast getting more tropical the farther north you travel toward Queens land or becoming more rocky and chilled the farther south you head toward Victoria The mighty Murray River forms the southern border stretching a watery band of blue along the northern edge of Victoria and providing sustenance to some of both states richest farms grazing grounds and wine regions The Darling and Murrumbidgee also feed the dry western plains and offer a string of charming settlements to explore along their edges The Great Dividing Range runs parallel to the continent's edge curving down all the way from the far north tip of Queensland through New South Wales and on down to Melbourne Included within the peaks are the Blue Mountains just outside of Sydney as well as the Snowy Mountains in the far south of the state And the mountains are indeed a dividing factor in the country's atmosphere not only in visual landscape from eastern beaches to western plains and deserts they also form a border between the balmy ocean settings and the scorched western Outback Fertile farmlands and orchards are tucked into the folds of the mountains while the state's famous vineyards spread out through the glistening river valleys

Darwin & Australia's Northern Territory Holly Smith, 2010 Following are a few brief excerpts from this guide written by a lifelong resident of Australia She covers everything you might want to know about this part of Australia guaranteed The places to stay from budget to luxury rentals to B the historic display is open 8 to

5 To get here drive three mi 51 2 km east of Darwin on Tiger Brennan Drive to Bowen Road and Winnellie then turn south through the gates East Point Reserve This is the place to warm up your bushwalking boots Lake Alexander a man made saltwater lake is spread through a 554 acre 198 hectare expanse of close knit forests and mangrove swamps Trails run through the woods and along the cliffs where west facing beaches lining a panorama of Fannie Bay span a gorgeous setting for late afternoon picnics Sections of open groomed parklands also have walking and bike paths and you can swim and boat in the lake The East Point Military Museum Sightseeing below is also on the grounds It s free to explore the reserve and lake area which are open daily 5 am to 11 pm To get here take East Point Road to Fannie Bay **Brisbane & Queensland**

Australia Holly Smith,2009 Following are a few paragraphs from this inspiring and astonishingly detailed guide The author a native Australian covers everything you might want to know about Queensland guaranteed The places to stay in every part of Queensland from budget to luxury rentals to B to the north the Sunshine Coast is equally touristy but more refined Small coastal towns like Hervey Bay Bundaberg Gladstone and Rockhampton are major sightseeing spots and exit points to Queensland s famous offshore islands Rockhampton at the Tropic of Capricorn roughly ends the southern third of Queensland the region covered by this chapter Head west of the coast from Brisbane to Rockhampton and you ll find the scenic tropical forests covering the Great Dividing Range Keep going and you ll hit the gemfields full of gold rubies sapphires and other goodies Past here you re into the red Outback deserts If there s one thing about Queensland you ll never be bored for lack of new things to see or new adventures to try and if you can choose just one destination in Australia this power packed state will give you the most for your money and time The Land Queensland may be massive but its very different environments can be neatly divided into a half dozen unique sectors which together hold some 31 2 million citizens Although the state is so big it s been broken into three separate regions for this book a general rundown of the varying outdoor scenes is covered here You ll find a more detailed look at the land flora and fauna of the central and northern areas in the two following chapters The coast of course is the primary focus of most visitors to Queensland a landscape laced with clean white beaches sparkling blue bays and perfect rolling surfines often punctuated by high rocky outcrops and dizzying cliffs

Melbourne, Victoria & Tasmania Holly Smith,2010-09-14 The author a native Australian covers everything you might want to know about Australia guaranteed The places to stay from budget to luxury rentals to B Bs the restaurants from fast food to the highest quality the beachwalks and bushwalks the wildlife and how to see it exploring the country by air on water by bike and every other way Following are a few excerpts from the guide The gathering of landscapes within the compact state of Victoria seem as if a giant had taken different pieces from around the continent squashed them together and shaken them up and then tossed them to let them fall where they may The awesome wave lashed coastal edges are among the state s classic sights with crumpled pillars of orange rock stacked tall out in the water Where the shores aren t rough the beaches are silky and white as soft and tame as a kitten with cold but gentle waters Behind this edge are thick patches of temperate

rainforests leading up into drier locales including inland deserts an unmade bed of mountain foothills and folds and smooth river marshes and plains You d never expect that much of the terrain here was once actually volcanic resulting in wild peaks bluffs and valleys throughout the center There s 227 600 sq km of land in the state and the Great Dividing Range arches through the center of it with major collections of peaks in the Dandenongs and Macedons The highest summits are in the east at 1 986 m 6 514 ft Mt Bogong and 1 922 m 6 304 ft Mt Feathertop and snowfields are found throughout the northeastern Australian Alps from June to September Hemming in the land are 1 800 km 1 116 mi of coastlines along the Bass Strait and the Southern Ocean with Melbourne and Geelong fronting the central cut inland to Port Phillip Bay This is a cool state akin to the Pacific Northwest or the lower New England states of the U S with warm summers but chilling wet winters Some regions do dip below freezing namely the northeastern mountains while the Gippsland highlands in the east and the western Otway Ranges see more rain than anywhere else Skip a couple hours south or west and you ll hit the arid Mallee region and the Little Desert and Big Desert national park areas Farmlands fill in the gaps where orchards and vineyards are filled with apples grapes oranges and other citrus fruits Main crops are grains and vegetables the fields fronting huge dairy farms or sheep and cattle ranches Tasmania is offshore from Victoria The name Tasmania is one of the world s most intriguing and it rightfully sounds such as one of the most fascinating places on earth And yes it s a heck of a journey to reach this offshore Australian state but once you re here if you re adventurous you won t want to leave Indeed the island state of Tasmania is ripe for adventure A heart shaped mountainous landmass 298 km 185 mi southeast of the main Australian continent it s covered with forests threaded with rivers and edged by wild rugged beaches and bays Its wilderness comprises an international Heritage Site of its own filled with some of the world s oldest and most unusual plants animals that are found nowhere else on earth rock formations that span every geological era and among the longest underground tunnels ever found The capital of Hobart where almost half the island s residents live is tucked into the southeastern edge and the sleepy northern ferry town of Devonport brings in visitors from the mainland No one ventures far though which leaves the majority of the island open to exploring and free of crowds even at the loveliest of national wonders such as Tasman National Park in the southeast Freycinet National Park in the east and Franklin Gordon Wild Rivers National Park in the west **Perth,**

Western Australia & the Outback Holly Smith,2010-09-14 Following is an excerpt from this extensive broad national parks with million year old natural phenomena take their places in patchwork fashion around them and thousands of kilometers of desolate unexplored lands fill the gaps in between You could wander here for a year and not run into a soul if you were well prepared or you could skirt between desert ocean and river excursions There s plenty of history and culture surrounding every settlement too providing for a well rounded adventure experience that delves deep into a very unique blend of environments With more than 63 national parks bushwalking is the number one activity followed closely by four wheel drive adventures The entire state is edged by the ocean with magnificent reefs around the center so diving and snorkeling boating

windsurfing and other watersports are all possibilities Historic cultural excursions take place in the center and the far north Aboriginal lands while modern encounters might have you wine tasting through the southwest Margaret River vineyards You can cycle around the coast rock climb and abseil in the rugged mountains explore caves in the central region camel trek in the desert kayak the southern rivers dive and snorkel along remote reefs and surf chic Perth swells or lonely Pacific bays The possibilities are as endless as the land for the state is only just being chiseled into a major adventure destination and it's a place where you truly have the chance to trail blaze get lost and discover something entirely new about the world and your own character within it

Adelaide & South Australia Travel Adventures Holly Smith, 2009 The author a native Australian covers everything you might want to know about Australia guaranteed The places to stay from budget to luxury rentals to B Bs the restaurants from fast food to the highest quality the beachwalks and bushwalks the wildlife and how to see it exploring the country by air on water by bike and every other way This guide zeroes in on Adelaide and the Southern part of Australia but a detailed introduction covers all aspects of travel to and around the continent as well plus the history culture and sightseeing

Access Sydney 2e Access Press, 2004-04-13 Down Under never looked better ACCESS Sydney highlights the popular sights and reveals the well kept secrets of New South Wales capital city from Circular Quay to Sydney Darling Harbours from the Royal Botanic Gardens to the once infamous Kings Cross this fully redesigned and updated second edition will have everyone saying G day mate Australia's oldest and largest city is also the country's most vibrant and sophisticated The remarkable natural beauty of its aquamarine harbour the luxury of 34 golden beaches and waterside suburbs filled with eucalyptus trees and bird life teamed with the relatively balmy climate for 8 months of the year makes this spectacular city one of the fastest rising international destinations for travellers around the world Now ACCESS Sydney will introduce readers to gregarious Sydneysiders flamboyant and innovative cuisine a host of architectural and cultural wonders and much more as it leads travellers street by street into the throbbing heart of this magnificent city This long awaited 2nd Edition of ACCESS Sydney will also include a special section for gay and lesbian travellers
