Glass Half Full Sarah Jane Butfield, 2014-01-03 Is the glass half empty or half full Sometimes life influences our view and alters our perception Life changing events up to 1997 almost destroyed me At my lowest point I met Nigel He helped me to discover how a positive attitude can change everything This new positive approach helps me to perceive my glass as half full together we live life to the full With good times ahead of us as a family we made the biggest and most difficult decision of our lives part of our family would immigrate to Australia We lived the Australian dream embracing the adventure until adversity came to test us A

sequence of life changing events including a close family bereavement PTSD following a road rage car accident and the shock of losing our home during the Brisbane floods tested us on many levels Follow our journey into happy sad and challenging times What does it takes to survive when the odds are stacked against you Do you fight back and if so at what cost physically and emotionally Could we maintain our positivity and family values against the odds A true story *Canadian Bankruptcy Reports* ,2001 **Key Lime Sky** Al Hess,2024-08-13 An alien invasion hits the town of Muddy Gap but a disgruntled pie aficionado is the only one who seems to remember it Denver Bryant s passion for pie has sent him across Wyoming in search of the best slices Though he dutifully posts reviews on his blog he s never been able to recreate his brief moment of viral popularity and its trickling income isn t enough to pay his rent next month Driving home from a roadside diner Denver witnesses a UFO explode directly over his tiny town of Muddy Gap When he questions his neighbors it appears that Denver is the only person to have seen anything or to care that the residents strange behavior as well as a shower of seashell hail might be evidence of something extraterrestrial Being both non binary and autistic he s convinced his reputation as the town eccentric is impeding his quest for answers Frustrated he documents the bizarre incidents on his failing pie blog and his online popularity skyrockets His readers want the truth spurring him to get to the bottom of things The only person in town who takes him seriously is handsome bartender Ezra As the two investigate over pie and the possibility of romance the alien presence does more than change the weather People start disappearing When Denver and Ezra make a run for it the town refuses to let them leave Reality is folding in on itself It s suddenly a race against time to find the extraterrestrial source and destroy it before it consumes not only Muddy Gap but everything beyond Denver s always been more outsider than hero but he s determined to ensure that a world with Ezra and with pie still exists tomorrow **Catalog of Copyright Entries** Library of Congress.
