Judaism for Everyone Shmuley Boteach, 2024-03-19 With the publication of his runaway bestseller Kosher Sex Rabbi Shmuley Boteach gained instant fame as a sage and savvy commentator on public and private life Now he turns his outspoken energy and vast erudition to the core teachings of Judaism itself During his years as Rabbi of Oxford University and founder of the university's Jewish outreach organization the L Chaim Society Boteach began to realize how well matched the foundational beliefs of Judaism are to the broad human needs of the modern world Unlike the dualist credo of other religions in which the material and spiritual are always in conflict the Jewish faith uniquely represents a spiritual philosophy concerned about life in this world rather than in the hereafter In Judaism for Everyone this most unorthodox of orthodox rabbis explores the Jewish and Biblical origins of civilization's seminal moral ideas and presents Judaism as a program of action for people of all faiths Boteach's interpretations and commentary are a vibrant celebration of the dynamism that is Judaism Whether he's peppering his points with stories from his childhood promoting feminism decrying boredom or extolling the virtues of leisure and solitude Shmuley Boteach never fails to inform inspire and surprise Judaism for Everyone is for anyone who seeks a universal moral creed to maximize human goodness and inner potential **Rabbis of our Time**

Marek Čejka, Roman Kořan, 2015-10-16 The term rabbi predominantly denotes Jewish men qualified to interpret the Torah and apply halacha or those entrusted with the religious leadership of a Jewish community However the role of the rabbi has been understood differently across the Jewish world While in Israel they control legally powerful rabbinical courts and major religious political parties in the Jewish communities of the Diaspora this role is often limited by legal regulations of individual countries However the significance of past and present rabbis and their religious and political influence endures across the world Rabbis of Our Time provides a comprehensive overview of the most influential rabbinical authorities of Judaism in the 20th and 21st Century Through focussing on the most theologically influential rabbis of the contemporary era and examining their political impact it opens a broader discussion of the relationship between Judaism and politics It looks at the various centres of current Judaism and Jewish thinking especially the State of Israel and the USA as well as locating rabbis in various

time periods Through interviews and extracts from religious texts and books authored by rabbis readers will discover more about a range of rabbis from those before the formation of Israel to the most famous Chief Rabbis of Israel as well as those who did not reach the highest state religious functions but influenced the relation between Judaism and Israel by other means The rabbis selected represent all major contemporary streams of Judaism from ultra Orthodox Haredi to Reform and Liberal currents and together create a broader picture of the scope of contemporary Jewish thinking in a theological and political context An extensive and detailed source of information on the varieties of Jewish thinking influencing contemporary Judaism and the modern State of Israel this book is of interest to students and scholars of Jewish Studies as well as Religion and Politics

Illuminating Counsel Jonathan Teram, 2020-12-18 Illuminating Counsel How the Least Holy Books of the Hebrew Bible Explore Life's Most Important Issues is a study of eleven books of the Hebrew Bible known collectively as the Ketuvim or Writings Judaism considers these books to be less holy than the other books of the Hebrew Bible Most people don't even know the Jewish order of the books of the Hebrew Bible is different than the Christian order Many people seem to think the Hebrew Bible is antiquated and has little relevance to modern life Even Christians who value the Hebrew Bible as Holy Scripture tend to favor the New Testament Herein it is argued that the least holy books of the Hebrew Bible are life-changing pieces of literature Their poetry and prose cover virtually every emotion every behavior and every aspect of the human condition They are as relevant to the committed nonreligious as they are to the religious So if you want to plunge the depths of literary sublimity if you want to explore what it means to be human to struggle with your mortality to go through death's dark valley and come out on the other side to confront your pain and in so doing find healing then I invite you to read on and discover how the Hebrew Bible illuminates counsel
