choose to commit to recognising that society as it is today is a difficult place for young people to thrive When you have autism or Down syndrome or any physical or learning difference it s even harder and the system as it stands isn t helping We need to acknowledge that this is not right that such a state of affairs must change and that we all have a part to play in making that change happen Jarlath offers suggestions for politicians Ofsted local authorities head teachers SENCOs teachers and teaching assistants about what they can do to make a difference For all politicians head teachers SENCOs teachers and parents *The Guardian Index* ,1993 *The School Science Review* ,2002 *British Education Index* ,1998 **Fiske Guide to Colleges** Edward B.
