

- Remove the four cylinder head nuts ① diagonally.
- Remove the two cylinder head nuts ②, and then detach the cylinder head.

NOTE:

If it is difficult to remove the cylinder head, gently pry it off while tapping the finless portion of the cylinder head with a plastic hammer. Be careful not to break the fins.

- Remove the cylinder base nuts and cylinder.

CAUTION:

If it is necessary to tap the cylinder with a plastic hammer, be careful not to break the fins.

- Place a clean rag over the cylinder base to prevent the piston pin circlips from dropping into crankcase. Remove the piston pin circlips with long-nose pliers.

Global Governance Joost Pauwelyn,Martino Maggetti,Tim Büthe,Ayelet Berman,2022-05-05 International organizations and
other global governance bodies often make rules and decisions without input from many of the individuals groups firms and
governments that are affected by them The standards of the Basel Committee on Banking Supervision for instance developed
by a small number of states govern financial markets and the safety of bank deposits in over a hundred jurisdictions
Historically the interests of developing countries as well as non commercial and diffuse interests within countries have been
excluded or disregarded in global governance Scholars and practitioners have criticised this democratic deficit and called for
greater participation of such marginalized stakeholders Against this background international institutions have introduced a
variety of reforms with the goal of increasing and facilitating the participation of these excluded stakeholders This book
brings together an expert group of scholars and practitioners to investigate the consequences of stakeholder participation
reforms in the global governance of health and finance What reforms have been introduced Have these reforms given
previously marginalized stakeholders a voice in global governance bodies What effect have these reforms had on the
legitimacy and effectiveness of global governance To answer these questions the book examines treaty based
intergovernmental organizations alongside newer forms of global governance such as trans governmental regulatory
networks multi stakeholder partnerships and private standard setting bodies Through a series of paired comparative analyses
