Raising the Impact of Education Research in Africa Charl C. Wolhuter, 2018-12-01 The low demonstrable effect of education research done in South Africa in particular and Africa in general continues to be a problem in scientific records in the educational sciences This scholarly collected work addresses this obstacle and focuses on recommendations from scholars in different sectorial categories in the field of education Scholars from a variety of sub fields within the educational sciences reflect on this particular matter revisiting the history of research and research outcomes and offering informed recommendations based on in depth investigation and analysis of aspects of the various discourses within the relevant sub fields The scope of the content of this collected work centres on the issue of the lack of scientific records concerning the scientific raising of the impact of education research The book aims at making a specific contribution to the educational sciences by stimulating scholarly discussion around how to increase the recording of the significance of educational research done in Africa and in South Africa in particular and to redirect the research agenda into the direction of making more impact Impact is conceptualised to mean both scholarly impact that is being cited and being used as foundation for theory building and for further research and practical impact that is improvement of practice teaching and learning in education institutions at all levels

**Systematic Reviews of Research in Basic Education in South Africa** Felix Maringe, 2021-04-09 Maringe ought to be commended for putting together an invaluable contribution to our understanding of research into a complex education system in South Africa This volume provides a useful foundation to the current state of education quality in South Africa including the impact of interventions It also brings to the fore challenges still facing education transformation The evidence presented which taken together lays out a coherent view of how improvements could be made Albert Chanee Head of Planning Gauteng Department of Education For too long the weight of educational scholarship produced in South Africa has been limited to that simple and standard form called the literature review Now for the first time education researchers are provided with an African based text on the concepts and methods of conducting systematic reviews In this exceptional work of editorship Felix Maringe brings together some of the leading researchers on South African education to model and demonstrate how to review a significant body of research on a chosen topic which is adjudicated strictly on the basis of the quality and efficacy of the evidence in hand I have no doubt that this remarkable book will become a standard reference for educational researchers in and beyond the African continent It will also lift the quality of educational inquiry by equipping a new generation of scholars with the capacity for doing evidence based research that compels the attention of policymakers planners and practitioners alike Prof Jonathan Jansen Stellenbosch University

**Proceedings of the International Conference on Educational Management and Technology (ICEMT 2022)** Bambang Budi Wiyono, Asmaa Abusamra, Zainal Dimaukom Kulidtod, Jamal Nordin bin Yunus, Desi Eri Kusumaningrum, Ophat Kaosaiyaporn, 2023-02-10 This is an open access book The International Conference on Educational Technology and Management ICEMT is held to bring

together academics researchers teachers educational entrepreneurs practitioners and policy makers They are responsible for implementing educational technology by leveraging resources through education management to create and enable ecosystem capabilities and access to education The Covid 19 pandemic teaches that aspects of information and communication technology in education management are full of limitations Inevitably educational users have moved dramatically to online channels Students and teachers are accustomed to learning from home There are opportunities as well as challenges Although the pandemic isn't over yet future updates are needed
