

The Hopkins supplement, which includes our supplemental essay

CLASS OF 2028 SUPPLEMENTAL ESSAY PROMPT

Tell us about an aspect of your identity (e.g., race, gender, sexuality, religion, community, etc.) or a life experience that has shaped you as an individual and how that influenced what you'd like to pursue in college at Hopkins. This can be a future goal or experience that is either academic, extracurricular, or social. (350-word limit)

An important note about the essay:

In this essay question, we are looking for how an aspect of your identity or background has contributed to your personal story—your character, values, perspectives, or skills—and how you think it may shape your approach to college as a scholar, leader, or community member.

Please note that the U.S. Supreme Court recently limited the consideration of race in college admissions decisions but specifically permitted consideration of “an applicant’s discussion of how race affected his or her life” so long as the student is “treated based on his or her experiences as an individual—not on the basis of race.” Therefore, any part of your background, including but not limited to your race, may be discussed in your response to this essay if you so choose, but will be considered by the university based solely on how it has affected your life and your experiences as an individual.
