

# Treasure Hunt Clues

FOR AROUND THE HOUSE

## Clue #1

If you're in a hungry mood,  
go here first and find some food.

## Clue #2

Now you're on your second clue,  
these go on before your shoes.

## Clue #3

If you want your teeth to shine,  
pick this up and spend some time.

## Clue #4

If you want to learn and grow,  
turn the page, get in the know.

## Clue #5

Add some color to your days!  
Pick these up; you're on your way.

## Clue #6

Take a walk and step outside,  
this is where you go to ride.

## **Library Treasure Hunt Clues:**

*Hosting a Library Mystery* Elizabeth M. Karle, 2009-04-13 *Hosting a Library Mystery* contains five example mystery scripts each targeted to a different audience but all original expertly created and thoroughly researched. These scripts serve as an excellent starting point for you to acquaint users with a wide variety of your library services. **School Library**

**Storytime** Brenda S. Copeland, Patricia A. Messner, 2013-04-23 This book is an invaluable resource for school library aides who conduct storytime activities providing everything from instruction on how to read to children to a week by week read aloud curriculum for the entire school year. *School Library Storytime Just the Basics* is the perfect resource for library aides, paraprofessionals or other library staff who conduct storytime in a school library media center. It provides all of the essential information, materials and step by step guidance needed to facilitate these all important events for children in kindergarten through second grade, allowing library staff without previous training or experience to get started with confidence. The fifth title in the highly regarded *Just the Basics* series, this book starts with an introduction followed by explanations of how to read aloud and tips for managing and working with children in the primary grades. The authors suggest specific picture books that tie into school year based themes and supply materials that can be used as listed or easily modified to meet the individual library's needs. Event specific lessons are supplied for many weeks within the school year, making this title one that educators will rely on for storytime ideas from September through May. **The Clinical Medical Librarian's Handbook**

Judy C. Stribling, 2020-01-30 Selected as a 2025 Doody's Core Title. Discovering what characterizes strong clinical medical librarianship and how those characteristics have been and are supporting clinicians in their delivery of evidence based medicine can help those in this profession evaluate and strengthen their own programs. Perhaps more importantly, learning about and from leaders in clinical medical librarianship can help not only other librarians but also clinicians and other healthcare professionals strategize to ensure that their programs stay abreast of the rapidly changing healthcare field using methods and approaches that recognize the importance of providing biomedical information and adapting to new technology and research requirements. Beginning with a discussion of the birth of the Clinical Medical Librarian (CML) and continuing with chapters that explore current innovative programs conducted by CMLs, *The Clinical Medical Librarians Handbook* piques reader's interest in this exciting professional field through descriptive scenarios. The book moves quickly through the history of librarians accompanying clinicians on medical wards to the realization of librarians partnering with clinicians in the face of a rapidly changing healthcare scene. Success and challenges are discussed by professional CMLs working in urban academic medical centers. *The Clinical Medical Librarians Handbook* is intended for any library student, practicing librarian or health administrator interested in understanding the variety of roles medical librarians play in the healthcare system of the United States, how medical librarians interact with clinicians and patients, the power of patient centered care and technology, the importance of information to public health, novel ways to introduce and teach clinical learners to use

resources how clinical medical librarians learn to do the job and tips for managing clinical medical library programs
