Life of Harriet Beecher Stowe Harriet Beecher Stowe,2021-08-30 Harriet s personal letters especially those to her close friends are well written and detailed and are full of her personality and sense of humor I particularly enjoyed some of her descriptions of the hectic daily life of being a young mother in Cincinnati with toddler twins and an infant The book includes many incidents in Harriet s life that are later echoed in her well known book Uncle Tom s Cabin which makes this volume an excellent book to read for primary source background material I m grateful that Harriet and her son Charles took time at the end of her life to gather these letters to share with later generations Goodreads
