Life Orientation Paper Grade 11 2014:

Towards a holistic approach to support learners at risk of interrupted development Macalane J. Malindi, Johnnie Hay, Thabo Makhalemele, 2024-02-23 The COVID 19 pandemic and the restrictions that came with it led to unprecedented disruptions in learner development and put them at risk of poor developmental outcomes It is thus important that the extent of the disruption on their development and the support needs of learners be investigated Researching the impact of the disruption should focus on holistic development In this book the authors use multiple research approaches and methods of gathering data in their respective fields to examine the impact of the disruption and determine the support needs of learners Data gathered through the different methods are processed and findings are presented The findings have implications for both practice and future research in the fields of inclusive education learner support educational psychology movement education Life Orientation and curriculum development

The Teaching and

Learning Playbook Michael Feely, Ben Karlin, 2022-11-30 The Teaching and Learning Playbook is a book and online resource containing more than 100 techniques that teachers and school leaders can use to drive improvements in their schools. Each technique includes a summary of what the technique is, why it is important, the effect size, and a four-step guide to how it should be performed. The Playbook provides a unique tool for teachers to identify how they can improve their teaching and practise with absolute clarity on what they need to do next. All techniques are accompanied by a video to show the technique in action and spotlight the four key elements with detailed audio commentary to make it easier for teachers to replicate. These can all be found on the website www.teachingandlearningplaybook.com. Codifying the key skills for every teacher to get better and for every school leader to drive improvements in their school, the Playbook covers Routines for Learning, Questioning and Checking for Understanding, Modelling, Explaining and Feeding Back, Resilience, Independence and Retrieval, Curriculum Beyond the Subject Classroom. This essential resource provides a clear framework for teachers and school leaders to improve teaching and learning. Simple to use and easily integrated into CPD and coaching programmes, the Playbook will take your teaching to the next level. **CIM Bulletin** Canadian Institute of Mining and Metallurgy, 1990
