Business Ethics Bob Tricker,Gretchen Tricker,2014-01-03 Traditionally books on business ethics focus on CSR companies relations with their stakeholders and corporate citizenship More recently green credentials and sustainability have been added to that agenda Unconventionally this book argues that business ethics are basic to running business not a separate subject They are inherent to the governance and management of every organization not an optional exercise in corporate citizenship Business ethics concern behaviour in business and the behaviour of business Decisions at every level in a company have ethical implications strategically in the board room managerially throughout the organization and operationally in all of its activities The use and sometimes the abuse of corporate power the process of corporate governance raises ethical issues Business involves risk taking whether decisions are at the strategic managerial or operational level Exposure to ethical risk needs to be part of every organization s strategy formulation policy making and enterprise risk management Designed to be read by both undergraduates and postgraduates this book is a primer on ethics in business It is also relevant to ethics courses that are now part of many legal accountancy and other professional examinations The book is not about moral philosophy nor does it prescribe appropriate standards of behaviour or recommend economic legal or political solutions Rather it enables readers to recognize ethical issues in business to respond appropriately and to embed ethics in business processes The book not only considers what business ethics are and why they are important but offers practical approaches on how to develop a successful corporate ethics culture *Business Ethics and Corporate Governance* Dr.V.P.T.Dhevika,Dr.O.T.V.Latasri,Dr.K.Sujatha,Dr.D.Padma,2025-09-07 Dr V P T Dhevika Assistant Professor Department of Commerce Bishop Heber College Autonomous Tiruchirappalli Tamil Nadu India Dr O T V Latasri Assistant Professor Department of Commerce Shrimati Indira Gandhi College Tiruchirappalli Tamil Nadu India Dr K Sujatha Head Department of Bank Management Shrimati Indira Gandhi College Tiruchirappalli Tamil Nadu India Dr D Padma Associate Professor Department of B Com PA Nallamuthu Gounder Mahalingam College Pollachi Coimbatore Tamil Nadu India **Corporate Governance and Business Ethics** Alexander Brink,2011-08-12 This volume explores corporate governance from three perspectives a traditional economic a philosophical and an integrated business ethics perspective Corporate governance has enjoyed a long tradition in the English speaking world of management sciences Following its traditional understanding it is defined as leadership and control of a firm with the aim of securing the long term survival and viability of that firm But recent business scandals and financial crises continue to provide ample cause for concern and have all fuelled interest in the ethical aspects As a result corporate governance has been criticized by many social groups Economic sciences have failed to provide a clear definition of the corporate governance concept Complexity increases if we embed the economic approach of

corporate governance in a philosophical context This book seeks to define the concept by examining its economic philosophical and business ethics foundations

Corporate Governance And Business Ethics : Text And Cases U C Mathur, 2005 Business world is to an extent a reflection of the country's social and cultural ethos The unprincipled behaviour among people has become so commonplace that even the corporate world has been affected It is therefore felt that unless companies look after the interests of their stakeholders and apply the ethical code of conduct in their dealings they can at best gain only temporary benefits Companies have begun to realise the importance of good Corporate Governance and Business Ethics Business Schools and their governing bodies too have realised the importance of Corporate Governance and Business Ethics and have included these as subjects to be studied in the postgraduate programmes of Business Management This book covers the syllabus of some major business schools which have already introduced the subject A number of live wire case studies embellish the book to make it a proper learning medium
