John Ochei Medical Laboratory:

Public Health Disasters: A Global Ethical Framework Michael Olusegun Afolabi, 2018-08-27 This book presents the first critical examination of the overlapping ethical sociocultural and policy related issues surrounding disasters global bioethics and public health ethics These issues are elucidated under the conceptual rubric Public health disasters PHDs The book defines PHDs as public health issues with devastating social consequences the attendant public health impacts of natural or man made disasters and latent or low prevalence public health issues with the potential to rapidly acquire pandemic capacities This notion is illustrated using Ebola and pandemic influenza outbreaks atypical drug resistant tuberculosis and the health emergencies of earthquakes as focal points Drawing on an approach that reckons with microbial existential and anthropological realities the book develops a relational based global ethical framework that can help address the local anthropological ecological and transnational dynamics of the ethical issues engendered by public health disasters The book also charts some of the critical roles that relevant local and transnational stakeholders may play in translating the proposed global ethical framework from the sphere of concept to the arena of action This title is of immense benefit to bioethics scholars public and global health policy experts as well as graduate students working in the area of global health public health ethics and disaster bioethics

Reminiscences Ben Ofungwu Sr., 2023-05-01 *Reminiscences* chronicles life in colonial and early postcolonial Nigeria delving into the trauma and vicissitudes of a young man It is a story that emphasises the need for quality education and training preparatory for adult life and the emergence of a mature mind willing to take on family responsibilities bequeathed to him There is the usual executive warfare that is quite common in most local and international organisations and the triumph thereof The story of ISN Products Nigeria Ltd is one of hope and tenacity in building a new organisation ISN is today a market leader in the medical diagnostic products marketing and distribution and has now passed to the next generation There is a lesson on the spiritual aspect of business We must accept that we just cannot achieve success doing it alone all by ourselves We always need help from above and should continuously ask for it
