Life After Seth:

Life After Seth Michael Gibson, 2020-02-25 Have you ever felt betrayed by God Have you ever thought why do bad things happen to good people Have you ever wondered whether God really loves you If you have you are not alone After the passing of my son I had all of those questions and many more This book Life After Seth chronicles my journey from heartache to a heart filled with praises So how does a loving God allow all of these obscure things to happen The simple answer is that our loving God has given us all free will With the freedom of choice we have both the ability and responsibility to select either good or evil Regardless of our choice there will always be both unintended and unforeseen consequences We can decide to embrace life or endure life If you choose to embrace your life I encourage you to sojourn with the Biblical Poet and learn how you can go from tragedy to triumph while you turn your mess into a message of hope faith and love *King of Hearts - the Field of Love* Jasmuheen, 2009-01-04 Past lives future lives and the perfect moments of the present perfect love profound love and painful plus parallel worlds and the art of dream weaving all of this is covered in book 2 of the Enchanted Kingdom Series as the Queen of the Matrix calls the King of Hearts to rise In book one of this series we witnessed the redemption of dark hearts with Agra's journey back to the Garden of Isis plus Tan's quest to reprogram the Terradac's codes In this book we discover the gypsy Jacob and his journey of transformation with a walk in warlock as they deal with the Dark Ones of power and find the risen King Via the stories of Tan and Rani Loki and Aphrodite plus Mary and Leila we expand on the both the ancient art of sexual tantra and the depth and weaves of love's fields with its layers of loss and the joy of dream's made whole Again we explore the complexity of metaphysical realities of multi dimensional realms and share more of the ancient wisdom as it applies to the field of love **An Evening In Lucknow** Suresh Kohli, 2011-07-05 In this collection Abbas brings forth through his stories his rich background in journalism and film making The stories here embrace varied themes and contexts with protagonists from cities and villages Abbas manages to capture the dilemmas of all his characters be it a has been Nawab a nurse or an untouchable in a village He addresses themes of superstition caste and romance each in his own unique and rich style of writing He writes with equal felicity of a modest young proofreader in Mumbai vying for the attention of a European girl The Umbrella and Chanda an outcaste old woman in a village Sword of Shiva Often satirical and hard hitting the stories give the reader a glimpse into Abbas's social conscience and perhaps his commitment to progressive causes This special edition comes with a PS section that has interviews with the author a letter from Mulk Raj Anand and other information that makes it a must buy for connoisseurs of early Indian writing in English *The Enchanted Kingdom Trilogy* Jasmuheen, 2009-01-04 Three books in one to form a most uplifting trilogy by metaphysical author Jasmuheen Queen of the Matrix Fiddlers of the Fields King of Hearts The Field of Love and Elysium Shamballa's Sacred Symphony The Elysium prophecy states When the Queen of the Matrix returns the King to her heart peace will come to all on Earth regardless of their part And when compassion sets the pace all will find new rhythms a peace within and a peace without to last beyond

millenniums A cross between Harry Potter Star Wars the Matrix movies and the realms of C S Lewis this new trilogy of fiction weaves in some of the aboriginal dreamtime legends while offering insights on past lives and future lives perfect love and profound love plus parallel worlds All of this is covered in this enchanting trilogy which will enlighten and entertain all ages

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
