Rosh Hashanah October 2-4

Shana Tova! The Jewish New Year begins with sweetness. We dip apples in honey and pray for a happy and healthy year to come!

Yom Kippur October 11 - 12

As the Jewish New Year begins we are given an opportunity to focus inward, to fast, and to reflect on where we can improve for the year ahead.

Sukkot October 16 - 23

We eat and sleep outside in our Sukkah, reminding us of how our ancestors were sheltered by God during their time journeying to the Promised Land.

**Shemini Atzeret
& Simchat Torah** October 23 - 25

We celebrate the conclusion of reading one cycle of Torah and begin the mitzvah all over again!

Hanukkah December 25 - January 2

At the darkest time of the year we remember that we are descendants of the Maccabees, and we know how to kindle the light.

Tu B'shvat Feb

The Jewish people are inherently connected to the land which sustains us. We plant trees and the mitzvah to care for the environment.

Purim Mar

We dress in costume, drink wine and eat cookies. It's a time to rejoice and remember that our faith and hope won out against all odds.

Passover Apr

The journey to freedom began with our ancestors. We left a bitter life of slavery for the promise of a better tomorrow. During this holiday we reenact this journey and savor our freedom.

Lag b'Omer Ma

We celebrate the passion and commitment of the rabbis who preserved Torah study during the most dangerous times.

Shavuot Jun

We honor the giving of the Torah on this Spring harvest holiday. We decorate with flowers and delight in sweet dairy treats.

Rabbi Jeffrey Wildstein

Jewish No Work Days 2014:

Judaism Rabbi Jeffrey Wildstein, 2015-06-02 *Idiot's Guides Judaism* is written by an accomplished Rabbi and teacher for both a non Jewish person as well as any Jewish person who wishes to learn more The book offers a thorough examination and covers the five books of Moses Jewish law history and important Jewish scholars Jewish life Holy Days and a comparison to Christianity are also included along with twenty frequently asked questions Jews and Their Foodways Anat

Helman, 2015-10-28 Food is not just a physical necessity but also a composite commodity It is part of a communication system a nonverbal medium for expression and a marker of special events Bringing together contributions from fourteen historians anthropologists sociologists and literary critics Volume XXVIII of *Studies in Contemporary Jewry* presents various viewpoints on the subtle and intricate relations between Jews and their foodways The ancient Jewish community ritualized and codified the sphere of food by regulating specific and detailed culinary laws Judaism extended and accentuated food's cultural meanings Modern Jewry is no longer defined exclusively in religious terms yet a decrease in the role of religion including kashrut observance does not necessarily entail any diminishment of the role of food On the contrary as shown by the essays in this volume choices of food take on special importance when Jewish individuals and communities face the challenges of modernity Following an introduction by Sidney Mintz and concluding with an overview by Richard Wilk the symposium essays lead the reader from the 20th century to the 21st across Europe the Middle East Africa and North America Through periods of war and peace voluntary immigrations and forced deportations want and abundance contemporary Jews use food both for demarcating new borders in rapidly changing circumstances and for remembering a diverse heritage Despite a tendency in traditional Jewish studies to focus on high culture and to marginalize low culture *Jews and Their Foodways* demonstrates how an examination of people's eating habits helps to explain human life and its diversity through no less than the study of great events the deeds of famous people and the writings of distinguished rabbis **Jews and Anti-Judaism in**

Esther and the Church Tricia Miller, 2015-05-28 The biblical book of Esther records an account of Jewish resistance to attempted genocide in the setting of the Persian Empire According to the text Jews were targeted for annihilation simply because of their Jewish identity However the story also reports that they were allowed to defend themselves against anyone who sought to kill them In the context of attempted genocide the message of Esther addresses a timeless and universal issue of justice that humans have the right and responsibility to defend themselves against those who intend to murder Jews and Anti Judaism in *Esther and the Church* shows how the anti Judaism that is a central feature of Esther relates to the contemporary issue of the contested legitimacy of the State of Israel as part of the ongoing Arab Israeli conflict In her outstanding book Dr Tricia Miller uses an academic approach to demonstrate the relationship of historic theology to current events concerning Israel for the purpose of encouraging Christians to support Israel's right to exist and defend itself against those who seek its destruction The Protestant Settlers of Israel Joseph B. Yudin, 2023-03-06 When conjuring an image of

settlers in the Holy Land one hardly envisions vast numbers of European and North American Evangelical Protestants Yet this is precisely the picture set forth in this book The region has witnessed settlement conquest destruction and resettlement from time immemorial But the story of Protestants settling in the Land and staking their own claim while missionizing among the population has yet to be told in its fullness The Protestant Settlers of Israel tells that tale including a discussion of the present day whereabouts of some 100 000 Protestant individuals living in the State of Israel with a steady rate of expansion and growth in some circles
