southern state of Karnataka is a city that has consistently found itself in the news since the 1950s This media interest is due
to issues arising from its ethnic character The city is home to multiple linguistic groups with Kannada and Marathi both
contending for linguistic and consequently social and political prominence This fractious backdrop forms the basis of the
present book Ethnicity and Class interrogates issues of ethnic identity in terms of their social location and historicity
Furthermore it seeks to demonstrate the significance of class in analysing the dynamics of social life and its construction in
India What emerges in consequence is the notion that a comprehensive understanding of Indian society needs to move
