compelling picture of the game in the only words that can truly do so the players own This is the definitive story of English Test match rugby a story etched in blood sweat and tears a story of great joy and heart breaking sorrow a story of sacrifice agony endeavour and triumph Behind the Rose lifts the lid on what it is to play for England the trials and tribulations behind the scenes the glory the drama and the honour on the field and the heart warming tales of friendship and humour off it Absorbing and illuminating this is a must have for all supporters who have ever dreamed of walking the hallowed corridors of Twickenham as a Test match player preparing themselves for battle in the changing rooms and then marching out to that field of dreams with the deafening roar of the crowd in their ears and the red rose emblazoned on their chest **The**
