Joseph Prince Spiritual Warfare:

Pentecostal Megachurches in Southeast Asia Terence Chong, 2018-05-24 Charismatic pastors fast paced worship sessions inspirational but shallow theology and large congregations these are just some of the associated traits of Pentecostal megachurches But what lies beneath the veneer of glitz What are their congregations like How did they grow so quickly How have they managed to negotiate local and transnational challenges This book seeks to understand the growth and popularity of independent Pentecostal megachurches in Southeast Asia Using an ethnographic approach the chapters examine Pentecostal megachurches in Malaysia Indonesia the Philippines and Singapore Each chapter dwells on the development of the megachurch set against the specific background of the country's politics and history **The Prayer of Protection**

Joseph Prince, 2016-11-08 In these days of danger trouble and evil New York Times bestselling author Joseph Prince reveals how God's children can have round the clock protection through the power of prayer The Prayer of Protection unveils the Bible's ultimate psalm of protection Psalm 91 to help you understand more about how God guards His children Joseph Prince offers simple keys and practical advice to finding and resting in the secret place of the Most High where no evil can even come near you You'll begin to live unafraid and with boldness as you allow the certainty of your heavenly Father's love and the sure promises of His Word to guard your heart against every fear Come under the wings of the Almighty and live life divinely protected positioned and free from all fears with our covenant keeping God The Beauty of the Redemption

Bishop Ferdinand Samson Ovbiebo, 2018-10-13 We should serve God by using our gifts talents and other resources to add value to the lives of others to the glory of the Lord It is very important for us to strive with all our might to offer excellent service to God in whatever capacity and do so with cheerful hearts Everything we do in the service of God plus how we do it decides the level of honor and influence we will enjoy in our destinies I believe it also determines the level of divine favors we will walk in here on earth Serving in excellence is our highway to honor and distinction If any man serve me let him follow me and where I am there shall also my servant be if any man serve me him will my Father honor John 12:26 The main point however is that it is not enough just to serve God Your service must be of a level of excellence Nothing less will do Service to God is commendable but that is not enough Your service must be honorable In this way your gifts and offerings must honor him Therefore the LORD the God of Israel declares I promised that your house and your father's house would minister before me forever But now the LORD declares Far be it from me Those who honor me I will honor but those who despise me will be disdained 1 Samuel 2:30 If you cut corners in carrying out divine assignments don't expect the best from God Have a big heart for God The temple I am going to build will be great because our God is greater than all other gods 2 Chronicles 2:5 If you want to experience the glory of God in your life go all out in your sacrifices Be an extremist in your excellence service to him Why Not You? Ed Newton, 2025-11-11 God is going to use someone to walk in purpose meaning destiny and anointing So why not you You can operate in your God given abilities when you operate out of your God given identity There is a very

human tendency to believe the best for others and the worst for ourselves To believe that someone else can operate in their full potential while we settle to exist in our scraps of talent and personal limitations But what if we could identify these lies for what they are and learn to take hold of the life God has actually called us to When Ed Newton was ten years old a woman at McDonald s prophesied over him that God was going to use him in a great way Ed who was eating lunch with his deaf parents didn t even have a relationship with the Lord at the time He had no idea that the story that God was writing would one day be something he d feel compelled to share with others Ed has walked the road of biblical identity and is now inviting others to do the same Why Not You is filled with his stories of growing up as a child of deaf parents CODA as well as other life experiences Ed shows how the truth of God s Word can cut through the web of self doubt so many followers of Christ struggle with and show them who God created them to be This book will help readers battle through negative self talk doubts and insecurities retrain their minds to view themselves from God s perspective see their setbacks as setups for success stop questioning their gifts and talents and start living in them Backed with Scripture and a raw look at his journey from childhood until a miraculous spiritual encounter with the Lord in early 2024 Ed shows readers that it s not only possible for God to use them but that God wants to use them Each chapter challenges readers to confidently walk in the calling and identity God has placed on their lives
