Mick Rennison,2016-03-16 Did the Good Old Days ever really exist Mick Rennison is not so sure After miraculously passing his test in an Atkinson Borderer way back in 1974 Mick drove in the days when crooks and con men seemed to run the haulage industry And Mick worked for most of them Earning crap wages from arrogant bosses with the constant threat of your P45 hanging over your head he learned his trade through trial and error many trials and lots of errors His career took him all over Europe and Scandinavia taking musical shows to Norway JCBs to Greece and supermarket deliveries down to Gibraltar Driving for a variety of firms he double manned trucks with his wife Jo for nearly 10 years Along the way he has been blown over in high winds outwitted hijackers and held hostage by striking Spanish drivers Now living on a narrow boat on the Grand Union Canal Mick is approaching retirement and reflects on his varied career With humour and not a little sarcasm he concludes that as good as those days were he certainly wouldn't want to go back *The Doe Tractor Story*

Stuart Gibbard,2015-09-04 The Doe Triple D became a legend in its own lifetime It was one of the most unorthodox tractors ever built and had two engines four wheel drive and could articulate through nearly 90 degrees A very successful machine in its own time it has remained a firm favourite among tractor enthusiasts everywhere This illustrated account tells the full story of this remarkable tractor and the company that built it The rise of Essex company Ernest Doe Sons from a village blacksmith's shop to the largest machinery retail organization in East Anglia is traced in detail with full coverage given to the machines it made Forty Years with Ford Tractors David Pearson,2019-10-01 David Pearson spent more than four decades working for Ford's tractor business starting on the production line at the maker's Dagenham factory before moving to the Basildon tractor plant opened in 1964 He went on to become the maker's UK sales manager and earned a reputation among farmers and dealers as the man who knew all there was to know about Ford tractors Along the way he was involved in the

development of some of the most famous machines to bear the blue livery from the Dexta to the 7000 and the FW articulated tractors to the 7810 Edited by agricultural journalist Martin Rickatson Forty Years with Ford Tractors builds on a series of recollections which originally featured in Classic Tractor magazine and includes additional material to tell David s fascinating story in full It includes a comprehensive selection of black and white and colour photographs many of which have never before been published and will be of interest to all Ford fans and tractor fans more generally Front cover photograph c Dave Franciosy [www.farmingphotography.co.uk](http://www.farmingphotography.co.uk)      **King of the Norfolk Poachers, The: His Life and Times** Charlotte

promising medical careers to embark upon a journey which few hardened truckers would have considered In so doing they were solely responsible for creating the first long haul overland route across Europe and deep into the Middle East to Kabul The men had started the Middle East Run was to become a phenomenon in the road haulage industry an image which it still holds today This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today In this book Ashley Coghill documents the complete history of the company to date with the focus predominantly on the early days when the men were fighting for something and revelling in the adventure These early long haul drivers would think nothing of a 10 000 mile round trip to Iran or the Arabian Gulf and being stranded at 6 000 feet on a mountain pass with temperatures below 40 was just all in a day s work Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication He has also tracked down past and present employees to gather first hand information which he has illustrated with over 300 carefully selected images The end result is a detailed comprehensive and fascinating account of an extraordinary company      *Massey Ferguson 35 Tractor* ,      **Cola**
