

MERITS AND DEMERITS OF INTERNET

Internet has considerably changed the face and map and the shape of the globe. The present age is generally referred to as the age of communication or the era of information. This world has become an electronic village. Distances have been shortened and the time has shrunk. This has only been possible due to the advent of computer and spreading of satellites. The expanded webs of internet takes no time to process information and directing to its desired destination. The way all this is done is called "Information Technology". In the boom up, generation and projection of information technology, internet is the most powerful tool.

Internet benefits people in the following way:

- All the sizeable business empires working have got better.
- Banking system is by all means computerized. All the branches of a network are connected with each other and also with central branch. Online banking works because of this network.
- Bankers do not maintain long and lengthy registers for the record of their clients.
- Facsimile (fax) and Electronic mail (e-mail) have proved their worth. People living at distant places or abroad remain in contact with their dear and near ones.
- Relations and friends chat freely without any anxiety of high charges.
- Internet is a wide bank of information. The stuff of all the subjects, topics and kinds is available in plenty. When an operator wants to explore some websites of his necessity, there is a storming appearance of the stuff desired.
- Internet has supplemented to working of TV networks and made it a magic box.
- Business, social, political, intellectual and marital connections are arranged.

Merits And Demerits Of Internet Essay

WJ Hussar

Merits And Demerits Of Internet Essay:

Economic Recessions - Navigating Economies in a Volatile World and the Path for Economic Resilience and Development ,2024-11-13 The modern world is characterized by intense and increasing conditions of uncertainty with the result that any economic turbulences and economic recessions create issues to be addressed for the entire world regardless of the degree of development of each economy This book presents the consequences of economic recessions giving readers a comprehensive understanding of the causes of the crises their effects the solutions and how economies can be put on a more sustainable path in the future Considering critical events in the global economy the book describes how the turbulence from such crises affects economies in today s complex world The book emphasizes the importance of resilience in the efforts of economies to recover from crises and adapt to a changing environment Readers of the book will see how more vulnerable or advanced economies face problems and how crises can create opportunities to find innovative solutions that lead to economic stability and growth The book also offers insights into how economic recessions shape economic policy It highlights the need for modern economies to focus on inclusive economic growth and efforts centered on sustainability and long term economic and social well being The book is a useful tool for anyone seeking to understand contemporary issues of global economic development and its complex nature in the midst of economic crises The analysis of the book proposes policy solutions to limit the negative effects of economic crises and to lead economies toward more resilient and sustainable development

Crime and Deviance in Cyberspace DavidS. Wall,2017-07-05 This volume presents the reader with an interesting and at times provocative selection of contemporary thinking about cybercrimes and their regulation The contributions cover the years 2002 2007 during which period internet service delivery speeds increased a thousand fold from 56kb to 56mb per second When combined with advances in networked technology these faster internet speeds not only made new digital environments more easily accessible but they also helped give birth to a completely new generation of purely internet related cybercrimes ranging from spamming phishing and other automated frauds to automated crimes against the integrity of the systems and their content In order to understand these developments the volume introduces new cybercrime viewpoints and issues but also a critical edge supported by some of the new research that is beginning to challenge and surpass the hitherto journalistically driven news stories that were once the sole source of information about cybercrimes *Critical Evaluation of Internet Advertising* Marcella Vurro,2010-02 Essay from the year 2009 in the subject Communications Public Relations Advertising Marketing Social Media grade very good Liverpool John Moores University course Integrated Marketing Communication language English abstract The essay is focussing on a critical evaluation of online advertising It examines different online advertising instruments such as banner websites keyword advertising etc and identifies the advantages and disadvantages of online advertising The Second International Adaptive and Sustainable Science, Engineering and Technology Conference Sunday Cookey Ekpo,2024-04-24 This proceedings presents papers from the Second International

Adaptive and Sustainable Science Engineering and Technology Conference ASSET 2023 which took place simultaneously in Manchester UK and Ikot Akpaden Nigeria on 18-20 July 2023. The ASSET conference serves as an interactive forum for the advancement of the practice of adaptive and sustainable systems across the multiple disciplines and specialty areas involved with the science engineering and technology of integrated entities, complex systems and networks. The conference provides an avenue for practitioners, researchers, managers, developers, analysts, educators and users to exchange innovative ideas, concepts, applications and lessons learned in addressing domain specific problems, applications oriented topics, methodologies, standards and multidisciplinary research opportunities and findings relating to ASSET systems.

Rural Marketing: Text and Cases Krishnamacharyulu, 1900. Rural Marketing Text and Cases provides a comprehensive coverage of the changing profiles, issues and practices in the context of rural marketing. Built on the general marketing management framework, the book discusses the strategic issues that in *The Routledge Companion to Freedom of Expression and Censorship* John Steel, Julian Petley, 2023-12-11. The Routledge Companion to Freedom of Expression and Censorship offers a thorough exploration of the debates surrounding this contentious topic, considering the importance placed upon it in democratic societies and the reasons frequently proposed for limiting and constraining it. This volume addresses the various historical, philosophical, political and cultural parameters of censorship and freedom of expression as well as current debates involving technology, journalism and media regulation. Geographically, temporally and culturally diverse accounts of censorship and freedom of expression are discussed through a broad range of perspectives and case studies. This Companion covers core principles and concerns in addition to more specialist and controversial debates including those surrounding hate speech, holocaust denial, pornography and so called cancel culture. The collection pays particular attention to the role of the media in both facilitating and suppressing freedom of expression. Comprehensive, original and timely. *The Routledge Companion to Freedom of Expression and Censorship* is a go to resource for scholars and advanced students of media communication and journalism studies.

Information and Communication Technology (ICT) and Enhancement of Education in the 21st Century in Nigeria Chibuogwu V. Nnaka, Adolphus A. Okafor, 2004. Challenges and Responsibilities of Social Research in Africa Apollo Rwomire, Francis B. Nyamnjoh, 2007. Democracy in India KHRITISH SWARGIARY, 2025-04-01. India's democratic journey is a testament to the resilience and adaptability of its people and institutions. This book, *Democracy in India: Evolution, Challenges and Reforms Before and After 2014*, endeavors to trace the remarkable trajectory of India's democracy, examining its historical foundations, contemporary challenges and future prospects. Through a lens of balance and evidence-based analysis, I seek to provide readers with a comprehensive understanding of how India's democratic framework has evolved and the critical issues it faces today.

Historical Foundation: The Birth and Early Trials of Indian Democracy. India's democratic journey began with the drafting of its Constitution by the Constituent Assembly, a body that reflected the nation's diversity and aspirations. Adopted in 1950, the Constitution established India as a sovereign, socialist, secular, democratic republic, laying

down key features such as Fundamental Rights Directive Principles of State Policy a federal structure and an independent judiciary These elements were designed to balance individual freedoms with social justice unity with diversity The early years of Indian democracy were marked by significant challenges including the trauma of partition widespread poverty and illiteracy Yet the first general elections of 1951-52 demonstrated the resilience of democratic principles with over 170 million voters participating in the world's largest electoral exercise at the time This period laid the groundwork for India's democratic evolution despite overwhelming odds Post 2014 India Transformation and Controversy The 2014 general elections marked a significant shift in India's political landscape with the decisive victory of Narendra Modi and the Bharatiya Janata Party (BJP) The Modi era has been characterized by ambitious reforms such as the Goods and Services Tax (GST) demonetization and the Swachh Bharat Abhiyan While these initiatives have had notable successes they have also faced implementation challenges and sparked debates over their impact on different segments of society The rise of majoritarian politics under the BJP has reshaped India's political discourse with policies like the Citizenship Amendment Act (CAA) and the revocation of Article 370 in Kashmir raising questions about the balance between national integration and minority rights This period has highlighted the tension between centralized authority and federal principles a theme that continues to influence India's democratic trajectory Evaluating Democratic Health Institutions Under Strain India's democratic institutions have faced significant tests in recent years Civil liberties once robust have shown signs of erosion with laws like the Unlawful Activities Prevention Act (UAPA) being used to curb dissent Judicial independence a cornerstone of India's democracy has faced pressures from executive overreach and internal challenges such as pendency and overreach Media freedom a vital pillar of democracy has also come under strain with India's ranking in the World Press Freedom Index showing a concerning decline The rise of social media has amplified both the opportunities for citizen engagement and the risks of misinformation and polarization The Way Forward Vision and Recommendations Looking ahead India's democracy stands at a critical juncture The path forward requires a delicate balance between stability and inclusivity accountability and autonomy Electoral reforms such as proportional representation and stricter funding regulations are essential to ensure fair and representative governance Strengthening institutions through transparent processes and safeguarding judicial and media independence are imperative to restore public trust Promoting civic engagement through voter education and supporting civil society organizations can foster a more participatory democracy By leveraging digital tools for transparency while addressing socio-economic inequalities India can build a democratic framework that is both resilient and inclusive Democracy in India Evolution Challenges and Reforms Before and After 2014 is an invitation to reflect question and act It is a narrative of India's democratic journey celebrating its achievements while grappling with its complexities As citizens we are the custodians of this vibrant system and it is through our participation debate and accountability that democracy flourishes I hope this book inspires readers to engage with India's democratic story contributing to its ongoing evolution with optimism

and vigilance With gratitude and hope Khritish Swargiary Here and Now Gilbert H. Muller,1997-08 A collection of fifty five essays organized around such topics as reconstituted families generational differences career options ethnic and gender identity political correctness entertainment and other issues that serve to define campus life Aimed at undergraduate students on English courses **Evergreen with Readings, Custom Publication** Fawcett,2006-11 **Namibia Review** ,1999 *Excellence in Business Communication* John V. Thill,2008 This handy guide helps students assess explore and improve each of the skills they re expected to master throughout the course *Eye* ,2004 **Research Methods in Psychology** John J. Shaughnessy,Eugene B. Zechmeister,Jeanne S. Zechmeister,2006 General issues descriptive methods experimental methods appliad research analyzing and reporting research **Sociological Abstracts** Leo P. Chall,2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers The McDonaldization of Higher Education Dennis Hayes,Robin Wynyard,2002-08-30 Where not so long ago professors owned the tools of scholarship controlled the labor process and certified the quality of our product the process of McDonaldization has torn this relation asunder Rapidly increasing student faculty ratios mass classes and the use of low wage teaching assistants and adjunct faculty have changed the job of professor pp 64 ff Faculty are pressured to recruit and retain students seen as customers p 67 and to compete with private for profit End Page 368 universities pp 71 72 With declining government aid for higher education students increasingly see education as a form of consumption and demand control choice and edutainment p 64 and elsewhere This is seen most obviously in course evaluations which some of the authors refer to as customer satisfaction surveys pp 36 132 147 At the same time faculty are relentlessly pushed to publish engage in funded research and develop new technological competencies Control over product is threatened as universities make demands on ownership of intellectual property including patents and licenses publications and courseware pp 79 81 From the perspective of faculty McDonaldization represents a dramatic loss of pedagogical authority Simultaneously the state which still pays for much of the cost of education as a public good is increasing demands for accountability and standards This takes the form of schemes for standardizing promotion and tenure quantifying and measuring the product being delivered and attempting to assure quality Lingua Franca ,1998 Australian Book Review ,2000 **Disadvantages of Internet are Less But Advantages are More** Asha Moria,2023-04-23 The statement Disadvantages of internet are less but advantages are more suggests that the benefits of the internet outweigh the drawbacks While the internet does have some disadvantages such as the spread of misinformation and potential for addiction these can be mitigated with responsible use and education Overall the internet has revolutionized the way we communicate access information entertain ourselves and do business leading to increased convenience innovation and globalization
