Jane Austen Seven Novels Jane Austen:

Seven Novels Jane Austen, Sarah S. G. Frantz, 2006 **JANE AUSTEN** JANE. AUSTEN, 2018 *The Complete Novels of Jane Austen* Jane Austen, 1996 Enduring popular treasured and enjoyed here in one volume are the seven great novels of Jane Austen *Sense and Sensibility* *Pride and Prejudice* *Mansfield Park* *Emma* *Northanger Abbey* *Persuasion* and *Lady Susan* Few novelists have conveyed the subtleties and nuances of their own social milieu with the wit and insight of Jane Austen Through her vivacious and spirited heroines and their circle she paints vivid portraits of English middle class life as the eighteenth century came to a close Each of the novels is a love story and a story about marriage marriage for love for financial security for social status But they are not mere romances ironic comic and wise they are masterly studies of the society Jane Austen observed The seven novels in this volume contain some of the most brilliant dazzling prose in the English language

Jane Austen: The World's Most Beloved Novelist Leslie Truex, 2012-02-29 ABOUT THE BOOK Jane Austen is more famous loved and regarded today than when she was alive writing her witty stories of love in the late eighteenth and early nineteenth century Some suggest the resurgence has to do with the 1995 BBC adaptation of *Pride and Prejudice* that propelled Colin Firth's career That same year Emma Thompson wrote the screenplay for which she won an Oscar and starred in Austen's *Sense and Sensibility* also starring Kate Winslet Hugh Grant and Alan Rickman most recently famous for his role as Snape in *Harry Potter* One could even attribute the most recent interest in Austen to Stephanie Meyer's *Twilight* Series in which she mentions classic literature including *Pride and Prejudice* Indeed in 2009 *Pride and Prejudice* was released as part of Bella's favorite books with a *Twilight* inspired cover Other authors have also been intrigued with Austen rewriting classics such as *Pride and Prejudice* and *Zombies* by Seth Graham Smith or using characters from the books such as the recently released *Death Comes to Pemberley* by P D James MEET THE AUTHOR Leslie Truex is an online entrepreneur and freelance writer Her small business articles appear on *Lenovo's Small Business Insights* the *Houston Chronicle's Chron.com* and *eHow*

EXCERPT FROM THE BOOK A common theme in Austen's works is the idea that finances and social rank outweigh morals Characters with questionable morals such as Wickham in *Pride and Prejudice* Mary Crawford in *Mansfield Park* and Willoughby in *Sense and Sensibility* are driven by financial gain Often the very best characters have little money or stature as seen in Elizabeth Bennet of *Pride and Prejudice* and Elinor in *Sense and Sensibility* However Austen doesn't villainize the rich Several characters with high social ranking and money also have good values such as Mr Darcy in *Pride and Prejudice* and Mr Ferrars and Col Brandon in *Sense and Sensibility* Austen's stories often revolve around the challenges faced by those who have reputations to maintain but morals that contradict social decorum For example Mr Darcy who is held in high esteem knows that Elizabeth Bennett is not only below his station but her family's behavior is an embarrassment But Darcy loves Elizabeth which puts in place a conflict between duty to his family and following his heart Buy a copy to keep reading
