WARNING This is not the actual book Me Before You by Jojo Moyes Do not buy this Review if you are looking for a full copy of this great book This review of British author Jojo Moyes Me Before You gives you some fun facts about Moyes and her works including the fact that the inspiration for this novel was a quadriplegic rugby player who committed suicide at the same Dignitas clinic mentioned in the novel Me Before You is the story of a woman who discovers herself and love while caring for Will Traynor a bitter quadriplegic It also delves deeper into the psyche of Louisa a young woman who already has a boyfriend albeit a dull one She is forced to leave her café job leading her to a job caring for Will and a love she never saw coming Me Before You is a compelling tale that analyzes the right to die debate in a way you never considered Louisa's job description is as caregiver but it's clear that Will's mother just wants her there to watch over him Will was once a powerful successful and handsome hunk of a man yet now he feels like a shell of his former self ready to give up Lou still sees that

hunk and she is ready to do everything she can to give him the courage to go on and make the most of life Lou's charm works as she even manages to cheer him up on occasion Everything changes when she overhears his intention to commit suicide in six months The author's choice of ending for *Me Before You* is controversial and this review offers an alternative outcome that might have kept a few more tissues in the box *Summary of Me Before You* Instaread Summaries,2016-04-04 **Me Before You by JoJo Moyes - A 30-minute Instaread Summary** Instaread Summaries,2014-10-21 PLEASE NOTE This is a summary of the book and NOT the original book *Me Before You* by JoJo Moyes A 30 minute Instaread Summary Inside this Instaread Summary Overview of the entire book Introduction to the important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader's Perspective Preview of this summary Chapter 1 Louisa Lou Clark a member of a working class family in a small English village has just lost her job Although both Lou's father Bernard and her sister Treena work neither makes enough money to help the family make ends meet without Lou's income For this reason it is decided that Lou should apply for a new job at the Job Centre as soon as possible The next day Lou goes to the gym to see her boyfriend Patrick He sees Lou's lost job as an opportunity for her to improve herself and find something better The counselor at the Job Centre suggests Lou apply as a care assistant for a man in a wheelchair She is not interested in this job but she is running out of options She agrees to go for the interview Chapter 2 Lou usually wears odd eccentric clothes For the job interview Josie her mother insists she wear a business suit Lou goes to Granta House an elegant and expensive home next to the local tourist attraction Stortfold Castle She is interviewed by Camilla Traynor Camilla is Will Traynor's mother Will became a quadriplegic after being hit by a motorcycle He already has a nurse named Nathan to take care of his personal and medical needs Camilla wants to hire someone to be a companion for Will and to stay with him during the day when no one else can be there Lou thinks the interview goes badly Therefore she is surprised when Camilla offers her the job with a six month contract and generous pay Chapter 3 Lou reports for work at Granta House the following morning Camilla shows her around the annexe a space that was once stables but was turned into guest quarters This is where Will lives now that he is confined to a wheelchair Camilla explains her duties to Lou She makes it clear that Lou is not to leave Will alone and unattended for more than 15 minutes at any one time Camilla introduces Lou to Will and Nathan Will's nurse Nathan explains Will's medications to Lou and tells her she is there to cheer Will Nathan leaves and Lou and Will are left to get to know each other It does not go well Will is sullen quiet and talks very little She keeps herself busy with cleaning and household chores to fill in the time Lou is unhappy about the first day at her new job She talks to her sister Treena about it Treena asks her to stick with the job because she has decided to quit her job and go back to college She has received a grant to help pay her tuition but will have to quit her job Lou feels this puts more pressure on her to earn an income
