Every period in clip has had its ain societal norms and category systems that people are expected to adhere to. In the clip period in which Jane Eyre lives in. adult females have many outlooks. regulations. and ordinances to populate up to. From an early age. Jane learns that she is different ; that she has her ain ethical motives and criterions that she will non give anything for. even if it means withstanding the really Torahs and criterions that defined society and even adult females in her clip. Most critics have marked Jane Eyre as a adult female who stands for feminism and independency. which can be true. But while most people believe that Jane Eyre is a heroine that depicts feminine stereotypes. a closer reading besides contends that Jane is presented as a character who challenges feminine and societal norms. One of the chief things noticed when reading the novel. Jane Eyre. is how Jane puts work forces and adult female on the same degree ; she sees them as peers. "Women are supposed to be unagitated by and large: but adult females experience merely as work forces feel..." (Bronte 111) .

Throughout the novel. Jane ever strives for equality and was even willing to give up matrimony to maintain it so. As Jane builds a relationship with Mr. Rochester. she begins to fall for him and frailty versa. But even when Mr. Rochester asks for her to go his dearly beloved. Jane refuses until she is certain that he intends to get married her because his "equal is here. and [his] likeness" (Bronte 241) . Another reading many make from the novel is Jane's opposition against those she feels treats her in a manner she does non believe she deserves. When the novel foremost begins. Jane is still a kid populating with her aunt. Mrs. Reed. and her cousins. Being treated dreadfully from twenty-four hours one. Jane had no problem stating how she truly felt and standing up to her aunt after she found out she would be sent to Lowood. "I am glad you are no relation of mine: I will ne'er name you aunt once more every bit long as I live. I will ne'er come to see you when I am grown up ; and if anyone asks me how I liked you. and how you treated me. I will state the really idea of you makes me ill. and that you treated me with suffering inhuman treatment. " (Bronte 24) .

Besides when first tie ining herself with Mr. Rochester. Jane was non afraid to state him her ideas on his intervention of her in order to acquire the intervention she felt she genuinely deserved. "I don't think. sir. you have a right to command me. simply because you are older than I. or have seen more of the universe than I have..." (Bronte 136) . One of Jane's chief differences when it comes to societal normalcy during her clip is her position on love and matrimony. During the clip period in which she lived in. adult females weren't needfully expected to get married for love. but for rank. position. and wealth. Jane. on the other manus. believed o

Comparison between the portrayal of Heathcliff and Bertha Mason Selin Izgi,2021-04-13 Seminar paper from the year 2018 in the subject English Language and Literature Studies Literature grade 1-7 University of Würzburg language English abstract In this research paper the author wants to take a closer look at the similarities and differences between Heathcliff and Bertha While doing so she also wants to find out if their respective creators portrayed them just as a Gothic element a stereotype plot device or similar things or if their portrayal has a different kind of thought behind it While reading Jane Eyre and letters Charlotte Brontë sent regarding Wuthering Heights she noticed an almost extreme opinion Charlotte seems to have about people of colour The interest for this topic comes from the fact that there is a lot of research about the Otherness of both characters but rarely are they compared with each other Oftentimes Charlotte and her opinions about her sister's novel Wuthering Heights are quoted in research but rarely does anyone comment on her extreme view on Heathcliff Her critique of Wuthering Heights is mostly only analysed in regard to her sister So with this paper the author also wants to take a closer look at the things Charlotte Brontë had to say about Heathcliff and about how she herself portrayed the Other in her novel Jane Eyre She will also take a quick look at Jean Rhys Wide Sargasso Sea in order to be able to differentiate the way Charlotte who had lived her whole life in England and Jean Rhys who had been living on a Caribbean island similar to Bertha portray the same character This could show whether or not Charlotte had as the author presumes a more racist view on the post colonial regions and people than her sister Emily **Bridging the Chasm Between Research and Practice** Royal W.
