Jazz Diasporas Rashida K. Braggs, 2016-01-26 At the close of the Second World War waves of African American musicians migrated to Paris eager to thrive in its reinvigorated jazz scene *Jazz Diasporas* challenges the notion that Paris was a color blind paradise for African Americans On the contrary musicians adopted a variety of strategies to cope with the cultural and social assumptions that confronted them throughout their careers in Paris particularly as France became embroiled in struggles over race and identity when colonial conflicts like the Algerian War escalated Using case studies of prominent musicians and thoughtful analysis of interviews music film and literature Rashida K Braggs investigates the impact of this postwar musical migration She examines key figures including musicians Sidney Bechet Inez Cavanaugh and Kenny Clarke and writer and social critic James Baldwin to show how they performed both as artists and as African Americans Their collaborations with French musicians and critics complicated racial and cultural understandings of who could represent authentic jazz and created spaces for shifting racial and national identities what Braggs terms jazz diasporas

Music in World War II Pamela M. Potter, Christina L. Baade, Roberta Montemorra Marvin, 2020-10-06 A collection of essays examining the roles played by music in American and European society during the Second World War Global conflicts of the twentieth century fundamentally transformed not only national boundaries power relations and global economies but also the arts and culture of every nation involved An important unacknowledged aspect of these conflicts is that they have unique musical soundtracks *Music in World War II* explores how music and sound took on radically different dimensions in the United States and Europe before during and after World War II Additionally the collection examines the impact of radio and film as the disseminators of the war s musical soundtrack Contributors contend that the European and American soundtrack of World War II was largely one of escapism rather than the lofty solemn heroic and celebratory mode of war music in the past Furthermore they explore the variety of experiences of populations forced from their homes and interned in civilian and POW camps in Europe and the United States examining how music in these environments played a crucial role in maintaining ties to an idealized home and constructing politicized notions of national and ethnic identity This fascinating well constructed volume of essays builds understanding of the role and importance of music during periods of conflict and highlights the unique aspects of music during World War II A collection that offers deeply informed interdisciplinary and original views on a myriad of musical practices in Europe Great Britain and the United States during the period Gayle Magee co editor of *Over Here Over There Transatlantic Conversations on the Music of World War I* L'histoire des zazous Regnier gerard, 2020-04-03 Le zazou est d abord une jeunesse artistiquement r sumable en un mot swing Sa pr sentation habituelle le rend sympathique fantaisie vestimentaire et chevelure abondante amour du jazz et de tout ce qui vient des tats Unis opposition de fait la R volution nationale du mar chal P tain Boris Vian et sa femme Michelle tr nent au milieu de ces jeunes gens Mais dans un chapitre Zazous de sa premi re oeuvre *Cent sonnets* il se montre sans piti leur gard d crivant leur ignorance en mati re de jazz Etendue aux zazous belges praguois ou allemands l tude montre que les tenants de la R volution nationale et de la Collaboration ont contribu attribuer de fait aux zazous un brevet de r sistance en mettant sans cesse en exergue leur rejet de l encadrement id ologique **Made in France** Gérôme Guibert, Catherine Rudent, 2017-11-06 *Made in France Studies in Popular Music* serves as a comprehensive introduction to the history sociology and musicology of contemporary French popular music The volume consists of essays by scholars of French popular music and covers the major figures styles and social contexts of pop music in France The book first presents a general description of the history and background of popular music in France followed by essays that are organized into thematic sections *The Mutations of French Popular Music During the Trente Glorieuses Politicising Popular Music Assimilation Appropriation French Specificity and From Digital Stakes to Cultural Heritage French Contemporary Topics* Contributors Christian B thune Juliette Dalbavie G r me Guibert Fabien Hein Olivier Julien Marc Kaiser Barbara Lebrun David Looseley St phanie Molinero Anne Petiau C ile Pr

vost Thomas Vincent Rouz Catherine Rudent Matthieu Saladin Jedediah Sklower Rapha l Suire Florence Tamagne **La musique de chambre à Nantes entre les deux guerres** Michelle Bourhis, 2011-09-01 De 1918 1945 la musique de chambre Nantes connait une intense activité. Au total presque quatre cents concerts de musique de chambre se déroulent entre les deux guerres mondiales dans diverses salles de la ville. Qui en est-il des artistes et des programmes ? Quels sont les compositeurs les plus fréquemment interprétés ? Quels jugements les contemporains portent-ils sur cette musique ? Django Reinhardt Regnier gerard, 2021-02-05 Le Tsigane Django Reinhardt musicien de jazz a connu ses plus grandes heures de gloire sous l'Occupation. Un succès égal de celui de Maurice Chevalier et de Charles Trenet aussi bien à Paris et dans la France occupée qu'en Belgique sous administration militaire allemande. Gérard Regnier montre que l'image d'un Django traqué en tant que Tsigane par les occupants nazis relève de la légende. Les officiers allemands connaisseurs et amateurs de jazz se pressaient aussi bien pour l'écouter en concert à la salle Pleyel que dans les cabarets comme Le Nid. En Belgique Django fait salle comble au Palais des Beaux Arts de Bruxelles et la foule se presse pour l'apercevoir lors de sa réception au grand quotidien Le Soir. Charles Delaunay dans son label Swing enregistre Django et ses disques connaissent le plus grand succès. On siffle Nuages dans les rues de Paris Bruxelles et Berlin. **Jazz et société en France sous l'occupation (1940-1944)** Gérard Régnier, 2007 **Jazz et société sous l'Occupation** Regnier gerard, 2009-11-01 Le jazz considéré par les nazis comme une musique négro-judéo-anglo-saxonne a connu paradoxalement un grand succès sous l'Occupation. À partir d'une étude approfondie de l'histoire du jazz en Allemagne l'auteur explique la présence de militaires allemands dans les salles de concerts cabarets. Il présente la situation du jazz en Belgique Paris et dans les Hubs Clubs de province. **Au nom de l'art, 1933-1945** Limore Yagil, 2015-03-04 La fascination exercée par Paris dans toute l'Europe depuis le début du XXe siècle se traduit d'abord avant le premier conflit mondial par l'établissement d'un grand nombre d'artistes dans ce lieu de liberté d'esprit et de création. Grâce à un enseignement de qualité les Académies de peinture ou de musique notamment attirent des Russes Polonais Hongrois Tchèques ou Allemands futurs fleurons de la scène de Paris minés par l'interprétation de l'Opéra et du Conservatoire. Avec les différentes vagues de migration dont les artistes juifs fuyant les persécutions se sont constitués dans la Ville lumière des relations d'amitié avec des artistes français filiales qui s'actionsnent sous l'Occupation et Vichy pour protéger et mettre à l'abri les victimes du régime. Si l'on connaît l'intervention de Sacha Guitry et d'Arletty en faveur de Tristan Bernard il y en eut beaucoup d'autres révélées par Limore Yagil la croisée de l'histoire culturelle et de l'histoire politique l'auteur remonte aux origines de ces relations de solidarité retraçant toute une géographie de l'entraide et interroge la signification qu'il convient de donner ces différents actes de désobéissance civile. Docteur ès lettres en histoire du XXe siècle de l'Institut d'études politiques de Paris Limore Yagil est chercheur associée à l'université Paris IV Sorbonne Spécialiste de l'histoire politique et culturelle de la France sous l'Occupation elle a notamment publié L'Homme nouveau et la Révolution nationale de Vichy Septentrion 1997 et une trilogie La France terre de refuge et de désobéissance civile 1944 Le Cerf 2010 2011 **Les bals populaires des**
