Les Bocaux De Ma Grandmere:

À Table ! Becky Brown, 2017-06-15 Intended for intermediate or advanced students of French Table The Food Culture of France is a content based cultural text centered around the cuisine of France and various French speaking cultures Organized like a French menu each chapter includes prose poetry film references and recipes together with vocabulary grammar points and exercises This second edition of Table features a redesigned full color interior to reflect the richness and color of French food culture and history The author has also added questions for reading comprehension and has expanded and rearranged select readings to give the text a more coherent organization A chronological arrangement of chapters along with a variety of food related sources encourages a comprehensive yet flexible approach to learning French language and its cultural contexts
