

The background of the cover is a detailed illustration of a futuristic space station or orbital platform. The structure is complex, with various levels, corridors, and mechanical components. A bright, circular light source, possibly a sun or a moon, is visible in the upper right portion of the sky. A bright, diagonal beam of light cuts across the lower half of the image, originating from the bottom left and extending towards the center. The overall color palette is dominated by blues, greys, and a touch of yellow from the light source.
