The Wrinkle Cleanse Cherie Calbom,2005 The renowned Juice Lady reveals the nutritional secrets to fewer wrinkles and firmer toned skin in just two weeks Includes a 14 day diet to rejuvenate the body s cells

Lemon Detox Maria Garrets, The Lemon Detox Diet also known as the Master Cleanse is a fasting and cleansing regimen aimed at detoxifying the body and promoting weight loss

The diet primarily involves consuming a lemonade mixture made from fresh lemon juice pure maple syrup cayenne pepper and water Each morning participants drink a saltwater solution to stimulate bowel movements and flush out toxins In the evening they consume an herbal laxative tea to aid in detoxification Throughout the day participants drink 6 12 glasses of the lemonade mixture whenever hunger strikes The diet typically lasts for 10 days although some variations range from 3 to 14 days Proponents of the Lemon Detox Diet believe it helps remove toxins from the body results in significant weight loss due to calorie restriction and improves digestion by giving the digestive system a break However the diet faces criticism for lacking essential nutrients such as protein fats vitamins and minerals which can lead to nutritional deficiencies Prolonged fasting can cause muscle loss due to insufficient protein intake and can slow down metabolism making weight regain likely after the diet ends Additionally the saltwater flush and laxative tea can cause dehydration and electrolyte imbalances

The Complete Master Cleanse Tom Woloshyn, 2007-07-28 Reveals how to use the lemonade diet to detoxify the body lose weight and improve overall health and includes step by step instructions simple coverage of basic principles and case stories
