Lesson Plans For Exodus 3:

Bible Lessons for Kids Mary Warner,2015-04-29 Our Bible Fun Factory Lesson Plans are the essentials The lessons that every single Christian child between 4 12 needs to be taught In this series of five lessons we focus on Moses as he grows into a man of God We first meet Moses as a young man who like many of us lacks confidence to do the things God tells him to do We learn through his early years how to follow God s voice When God uses Moses to part the Red Sea we see that God is capable of anything Finally as God gives Moses the Ten Commandments we see that God has established right from wrong and we should keep his commandments in our hearts These lessons bring students closer to God by watching Him create miracles and show us His nature Lesson 1 Moses and the Burning Bush Lesson 2 Following God s Voice Lesson 3 Moses and the Red Sea Lesson 4 Bread from Heaven Lesson 5 Moses Gets the Ten Commandments We have 3 core beliefs when we create Bible Lesson Plans 1 They should be EASY for the teacher to teach 2 They should be FUN for the child 3 They should actually TEACH the child bedrock principles of the Christian Faith and the Bible Each of the Lessons Include Materials List Don t worry nearly everything can be gathered up at a moments notice from your own house For example you might need to grab a big spoon Complete Lesson Including our much loved teaching script that tells you exactly what to say Scripture Reading we put the scripture reading in the lesson to make it easy 2 Games Kids LOVE games each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around Typically one game is geared to young children 4 7 and another for the 8 12 year olds 2 Intro Activities These activities get the kids engaged in the lesson and help to fill the time as kids trickle in 2 Lesson Activities These activities vary from object lessons crafts treasure hunts and more Closing Prayer Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson Class Length The lessons are designed to run for one hour but can easily be expanded to cover more time if needed Age Level The lessons include age appropriate activities discussion and questions for children ages 4 12 Equally effective with mixed age groups or single age classes Prep Time Each lesson was designed to be taught after only 5 10 minutes of prep time You don t need to go around collecting craft materials or spending an hour before class getting organized You can literally glance go Denomination Our lessons can be used by churches of all denominations as the topics covered are truly the foundation of Christian faith In addition any Bible translation can be used *Study God's Plan* David C Cook,2018-05-04 These lessons help kids learn how to use God s Word to discover God s plan of salvation through the whole Bible trust God s promises and seek God s will A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 3 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study
