School Principal

[Your Company Name]

Dear Mr. Follers,

I hope this letter finds you well. I am writing to inform you about a recent blackout incident that occurred at **[Your Company Name]**. On April 30, 2050, a power outage disrupted the school's electricity supply, resulting in a complete blackout for two hours from 10:00 AM to 12:00 PM.

The blackout caused significant inconvenience throughout the school, affecting classroom activities, administrative operations, and essential services. Students and staff were unable to utilize electronic devices, and classes had to be temporarily halted until power was restored. Immediate efforts were made to address the situation, and the school's maintenance team worked swiftly to identify and rectify the underlying issue. The blackout was caused by a malfunction in the main electrical panel, and repairs were carried out to restore power within the designated timeframe.

We sincerely apologize for any inconvenience caused by this blackout and the resultant delay in educational activities. Our primary goal is to ensure a smooth and uninterrupted learning environment for our students.

If you have any further inquiries or require additional information regarding the incident, please do not hesitate to contact me. Thank you for your understanding and cooperation.

Yours sincerely,

[Your Name]
