To Whom It May Concern,

Please accept this letter of recommendation on behalf of Hannah Allison. It has been my pleasure to know Hannah for the past six years. I first met Hannah when she attended one of my Penn State Field Hockey camps as a high school senior. I was immediately impressed at that time by her work ethic and pleasant demeanor.

Since that time Hannah selected Penn State to pursue her education and a Division I field hockey experience therefore giving me the opportunity to closely coach her. Hannah has always expressed a passion to teach physical education and coach. Throughout her collegiate years Hannah remained committed and diligent to seeing her goals through. As a student Hannah clearly understood the demands of the major and took her studies seriously to be at her best. As a player she showed a strong willingness to improve her game skills and knowledge. Hannah is a gifted athlete herself. She was the type of player who would be ready to play any position when called upon without question. Hannah consistently was a role model for her team often setting the competitive tone for practices. It was no surprise that Hannah was elected as co-captain of the team both her senior year and as a fifth year senior by her teammates. Hannah took this position seriously and was always looking for ways to be an effective communicator and leader. Hannah would meet with me regularly to learn more about leadership and improving her role as a captain. Hannah earned tremendous respect from her teammates and coaches during this time. She possesses such qualities as being a good listener, make decisions based on the betterment of the team and takes responsibility. Through this experience coupled with her education Hannah matured into a strong leader.

Throughout the summer I was very pleased to see Hannah transfer these qualities into a coach at the Penn State Field Hockey Camp. I could always count on Hannah to have her team organized, motivated and ready to play. I was also impressed to see that she was greatly endeared by those she coached. She approaches every new situation with a big smile and self assurance. As a coach Hannah showed true patience and compassion when working with the younger players. She could correct their mistakes in a positive way while keeping the fun at the forefront. Hannah fully understands that coaching is teaching and that is one of her strengths. She is a teacher at heart and always will be. On a personal note, when a dear friend of Hannah's came down with cancer and needed to find a bone marrow match Hannah stepped to the front of the situation. She contacted coaches, the Red Cross and other athletes to help find a match. She put in countless hours just to be there to manage and greet the potential donors. This campaign became a huge success and greatly helped her friend.

I know that Hannah will be an effective and loved teacher because of her passion for the profession. It is with my utmost respect for Hannah that I highly recommend her to you.

Sincerely,

  
Charlene Morett
