Lei Huang

Les Violences Sournoises Dans Le Couple:

Les violences sournoises dans le couple Isabelle Levert, 2011 Les violences sournoises dans le couple engendrent des souffrances dont on ne mesure pas toujours les conséquences. En effet, les victimes de partenaires amoureux aux agissements pervers sortent laminées de l'histoire conjugale. Car si les racines de ces perturbations graves de la personnalité gisent dans le psychisme de leur auteur, les effets se manifestent principalement dans la relation. Autrement dit, la souffrance est transférée chez l'autre. Pour Isabelle Levert, psychologue, cette violence conjugale des plus pernicieuses doit être exposée au grand jour et dénoncée parce qu'elle touche l'équilibre psychique et aux assises de l'estime de soi, l'amour de soi, la confiance en soi et l'image de soi. L'auteur entreprend de décrypter chacun de ces dysfonctionnements. Quelles en sont les racines ? Comment les relations dérapent-elles ? Quel est le déclencheur de la volte-face ? Comment le conjoint procède-t-il pour soumettre son partenaire et l'inciter à poursuivre une aventure devenue désagréable voire toxique ? Les nombreuses situations de vie présentées témoignent du pouvoir mortifère de ces changements et de l'enracinement d'un sentiment d'impuissance qui étouffe toute velléité de rébellion jusqu'à ce que la victime trouve les ressources pour prononcer un non irrévocable, premier mot d'un tre qui renait sa vie. Cri de révolte contre la banalisation de la violence conjugale psychique, manifeste ou silencieuse, ce livre est galement une invitation pour toutes les proies qui ont payé le prix fort des larmes et qui ont vu s'éteindre leurs rêves se débarrasser de la honte et briser la loi du silence. Beaucoup d'entre elles devront recourir à une psychothérapie pour se reconstruire et recouvrer leur identité. De leur côté, les bourreaux ont aussi besoin d'un travail sur eux-mêmes car on ne devient pas mythomane paranoïaque ou pervers sans une histoire infantile difficile et traumatique. Mais rares sont ceux qui ont le courage de se remettre en question, première étape vers la guérison.

Les violences sournoises dans le couple Isabelle Levert, 2011-04-07

Mythomane paranoïaque narcissique pervers. Souvent galvaudés ces adjectifs font pourtant référence à des perturbations de la personnalité dont les effets se manifestent dans la relation à l'autre et en particulier au partenaire amoureux. Quelles sont les racines de ces dysfonctionnements ? Quel est le déclencheur de la volte-face ? Comment le conjoint procède-t-il pour soumettre son partenaire et l'inciter à poursuivre une aventure devenue très désagréable voire toxique ? Les nombreuses situations de vie présentées dans cet ouvrage témoignent du pouvoir mortifère des changements de l'ensemencement d'un sentiment d'impuissance qui étouffe toute velléité de rébellion jusqu'à ce que la victime trouve les ressources pour se libérer de cette emprise et prononcer un non irrévocable, premier mot d'un tre qui renait sa vie. Cri de révolte contre la banalisation de la violence conjugale psychique, ce livre est une invitation se débarrasser de la honte et briser la loi du silence. Pour toutes les proies qui ont payé le prix fort des larmes, il est un outil sur le chemin de la réparation de soi pour apprendre à refuser catégoriquement tout empiètement sur son individualité et permettre de se réinvestir dans une histoire amoureuse.

Les violences sournoises dans la famille Isabelle Levert, 2016-03-17 Alors qu'ils auraient dû être protégés, ils ont été rejetés, humiliés. Tous les auteurs et presque toutes les victimes de violence domestique ont subi dans leur enfance une maltraitance. Quand un mari dit son épouse. Quand je te vois je

vois juste une nana qui veut en foutre le moins possible quand un parent dit son enfant Je ne t'ai pas sonné tu parleras quand je te le dirai quand une belle mère dit sa belle fille Je peux être ta meilleure amie comme ta pire ennemie Sait-on quelles sont les paroles qu'on entendues ces adultes maltraitants dans leur enfance Après Les Violences surnoises dans le couple Isabelle Levert a écrit la réalité des familles dans lesquelles règne la violence domestique surnoise analyse les traumatismes psychiques et la perte de l'illusion chez l'enfant Des blessures non cicatrisées surgiront chez l'adulte des fantasmes intérieurs l'insécurité le narcissisme pathologique le besoin d'emprise et de destruction Et tel un automate il se dirigera vers un nouveau désastre reproduisant cette violence en tant qu'agresseur ou victime Ce livre donne les clés pour casser cette spirale afin de ne plus être l'objet de l'autre de se réparer de restaurer ses repères et de retrouver confiance Se libérer de l'emprise émotionnelle Sylvie Tenenbaum, 2023-03-14 L'emprise émotionnelle est tout aussi dangereuse que la maltraitance physique Insidieuse il peut être difficile pour la victime de comprendre de quoi elle est victime sans oublier le prédateur qui n'a pas toujours conscience de l'ampleur de la violence psychologique dont il est responsable L'emprise touche tous les domaines de la vie que ce soit la vie de couple familiale amicale ou professionnelle et toutes les classes sociales Fort heureusement il est possible de se protéger des relations toxiques et c'est tout l'intérêt de ce livre passionnant Savoir reconnaître l'emprise émotionnelle dès les premiers signes Portraits de prédateurs manipulateur pervers narcissique prédateur paranoïaque psychopathe Comment les différencier pour mieux s'en protéger Comment agissent-ils En finir avec l'emprise se protéger avant d'être victime d'écarter les signes qui ne trompent plus décrypter la relation alerter un proche et accepter de l'aide se reconstruire Un livre captivant et d'une grande utilité pour des milliers de lecteurs Sylvie Tenenbaum est psychothérapeute Paris depuis vingt-cinq ans Sa passion pour l'écriture l'a amenée à écrire des ouvrages succés tels que Cherche d'espérance l'homme de ma vie Albin Michel ou Nos Paysages intérieurs ces idées qui nous fascinent Interdictions **Regards sur les violences envers les femmes d'ici et d'ailleurs**, 2024-03-21 Cet ouvrage aborde les violences envers les femmes dans différentes cultures et il met en lumière les acquis et les manques concernant leur libération d'une servitude dont elles sont victimes depuis des millénaires En dépit de progrès réalisés dans certaines sociétés beaucoup reste à faire pour que les femmes vivant dans les sociétés encore régressives par la tradition et des lois archaïques soient libérées de leur joug Variées les études et recherches du présent ouvrage analysent les violences tant physiques que psychologiques subies par les femmes de différentes classes sociales et cultures **Les différents visages des passifs-agressifs** Isabelle Levert, 2021-02-19 Sous leurs différents visages les personnes passives agressives sont difficiles à cerner Découvrez qui elles sont comment elles se comportent et quelles sont les voies à explorer pour sortir de l'impasse Tous ou toutes un moment ou un autre nous avons adopté un comportement que l'on peut qualifier de passif agressif par notre silence notre indifférence notre loignement nous avons ignoré le besoin d'être en relation de l'autre Mais trop souvent les termes de passif agressif sont utilisés comme un diagnostic ou une étiquette fourre-tout en pensant d'en avoir l'explication des difficultés relationnelles rencontrées De manière erronée Car

derrière les comportements passifs agressifs il y a souvent des problématiques plus complexes. S'agit-il d'une peur du conflit d'un symptôme de dépression d'un besoin effréné de ne pas déplaire au risque de s'effacer d'un enfermement dans la schizophrénie ? Quoi qu'il en soit l'impression de détachement voire d'indifférence ou encore de résistance silencieuse quimane de la personne qualifiée de passive aggressive peut être insupportable pour les proches. Au fil des chapitres le texte prend corps travers différentes situations problématiques face auxquelles la notion de passivité aggressive est souvent invoquée. Grâce à ces exemples et à ces témoignages le lecteur se rend compte que ces comportements traduisent des dysfonctionnements très différents les uns des autres qui vont de simples replis défensifs assez banaux de véritables agissements pervers. Le livre se termine par un aperçu des facteurs d'enlèvement dans une relation insatisfaisante. Cette compréhension nouvelle participe face aux problèmes relationnels restituer chacun des interlocuteurs sa part de responsabilité et trouver une issue.

Les violences ordinaires des hommes envers les femmes Philippe Brenot, 2008. En s'appuyant sur son expérience auprès de couples en difficulté P. Brenot dénonce les comportements qui marquent la survivance de la domination masculine la violence des hommes qui l'exercent par mode par habitude par ignorance etc. Il propose d'admettre cette violence et d'y remédier en inventant de nouvelles manières de vivre ensemble.

Le courage des femmes Edwige Antier, 2009. L'auteure témoigne du courage des femmes pour faire leur place dans la société pour ne pas devenir victimes du mal-être des hommes pour se faire entendre comme femmes comme mères comme citoyennes. Elle milite pour une coexistence où homme et femme se respectent comme individus loin de toute volonté de soumission ou d'exclusion de l'un ou de l'autre.
