How Homophobia Hurts Children Jean M Baker, 2013-12-16 Homophobia hurts kids Explore ways to minimize that trauma This book illustrates the ways that children growing up to be gay are harmed by homophobia before anyone including themselves even knows they are gay This compelling and sympathetic volume describes many simple ways that these children can be helped to understand that they can grow up to lead normal lives with hopes and dreams for their futures How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community brings home the voices of these children They describe their experiences to show how they came to the frightening recognition that they are part of a group held in disregard by the rest of society even sometimes by their own families Dr Jean M Baker the author of How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community is a clinical psychologist and the mother of two gay sons In this book she shares her experience as both psychologist and mother to show how the myths and fallacies about homosexuality have influenced parents schools churches and lawmakers to send children the cruel message that if they are gay they are not normal and will not be able to lead normal lives In this unique volume you ll find a chapter on identity development following the Eriksonian model interviews with high school students who are self identified as gay firsthand descriptions of the harassment and victimization of those perceived as gay in schools research on how victimization at school affects gay youths a discussion of the relatively new phenomenon of gay straight alliances gay support groups or clubs a chapter on transgender identity with interviews with four transsexual persons who describe their personal childhood experiences and their transition process The focus of How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community centering on the social and familial experiences of children who will grow up to be gay but have not yet come to that realization is unique But beyond that this book also explains how homophobia affects the attitudes

of non gay children by leading them to believe that it is acceptable to mistreat homosexuals Finally specific suggestions are made for changes in parenting and changes in school classroom practices that could help prevent the harm that is inflicted upon so many of our gay children Everyone who comes in contact with children on their way to becoming gay lesbian bisexual transgender adults needs to read this book Fantasies of Femininity Jane M. Ussher,1997 In *Fantasies of Femininity* Jane Ussher focuses on unraveling the contradictory visions of feminine sexuality the fact that representations of the definition of woman seethe with sexuality yet for centuries women have been condemned for exploring their own sexual desires In her quest for the sources of feminine representation Ussher interviewed dozens of women as well as some men and combed popular media from *Seventeen* to *Cosmopolitan* and *Dallas* to *Donahue* to identify what shapes women's symbolic images of sex and femininity Ussher argues that women have effectively resisted and subverted these archetypal fantasies of femininity and in the process of so doing reframed the very boundaries of sex In this way she exposes as myth much of what we think we know about woman and about sex **The Whole Lesbian Sex Book** Felice Newman,1999 Finally a truly comprehensive sex guide for lesbians and bisexual women bursting with factual material Offers information and support for all women who love women partnered and single young and old transgendered and traditionally gendered sexually experienced and new to sexual exploration The most complete all questions answered savvy guide to lesbian butch bisexual femme androgynous and transgendered sex is here Keep it next to the bed *Good Vibrations* *Counseling Lesbian Women and Gay Men* A.
