The two hit it off immediately as man and wolf but Dakota fears Sam won't be so understanding when he sees what he truly is. When Dakota shifts in front of Sam the sparks fly but Dakota's past and pack threaten their new found relationship.

HALF MOON RISING They say you can never go home. After more than a decade Troy Bishop is going home to the family he left behind when his parents died. Little does Troy know he's about to get a lot more than he bargained for. Sawyer Quinton has been waiting for his mate for as long as he can remember and was beginning to think he'd never find him. Until Troy Bishop walked back onto the Reservation. The attraction is immediate for both men but one is hiding a secret and the other must finally open his heart. Sometimes you can't go back home and sometimes when you do you never leave.

BEST LAID PLANS The men of the super secret Skull Blaster unit have put down their weapons long enough to find love and even husbands from Arizona to Alaska and the Olympic Peninsula. Now their new families and friends are hoping to find their own happily ever afters. Werewolf Sawyer Quinton's brothers have finally found their mates in the Drake brothers. Dakota's former packmates. Things get off to a rocky start but love conquers all. Or does it? Can the Drakes overcome the gay bashing they suffered at their father's hands and be true to themselves and the men they love? Or are some lessons just too hard to unlearn?

When fate puts him in the path of a speeding semi Caden meets handsome paramedic Kellan Brady. Kellan Brady has been waiting for his mate for as long as he can remember. Always wanting the fairy tale of true love he ends up instead with an injured and angry Frenchman pinned in his BMW. If they can get past their rocky start can the two men build a relationship?

The Assassin's Handbook Professor David Cook, David Zeb Cook, Wolfgang Baur, Green Ronin, 2002-07-15. The assassin is a killer for hire, a fighter whose strength comes from the element of surprise and from the complete disregard he has for the rules of honorable combat. The Assassin's Handbook, second in Green Ronin's Master Class series, brings back the First Edition tradition of the assassin core class. In addition to Master Class essentials like new feats, spells, equipment, and prestige classes, the book also includes an extensive selection of new poisons and two complete assassin brotherhoods: the icy and professional Vultur and the mysterious and fanatic Sirat.
