

# UFEMINISTI

Ufeministi ni istilahi inayotumiwa kueleza nadharia ambayo imewekewa misingi na msukumo mkubwa pamoja na nia ya kupigania ukombozi wa wanawake kutokana na pingu za kiutamaduni na kidini zilizomfunga kwa muda mrefu. (Malenya, 2012)

Katika Wamitila (2002:235), Ufeministi ni nadharia inayopinga asasi zote za kijamii zinazochangia katika kudhulumwa kwa mwanamke.

**A Feminist Legacy** Suzanne Bordelon,2009-03-10 The first book length investigation of a pioneering English professor and theorist at Vassar College A Feminist Legacy The Rhetoric and Pedagogy of Gertrude Buck explores Buck s contribution to the fields of education and rhetoric during the Progressive Era By contextualizing Buck s academic and theoretical work within the rise of women s educational institutions like Vassar College the social and political movement toward suffrage and Buck s own egalitarian political and social ideals Suzanne Bordelon offers a scholarly and well informed treatment of Buck s achievements that elucidates the historical and contemporary impact of her work and life Bordelon argues that while Buck did not call herself a feminist she embodied feminist ideals by demanding the full participation of her female students and by challenging power imbalances at every academic social and political level A Feminist Legacy reveals that Vassar College is an undervalued but significant site in the history of women s argumentation and pedagogy Drawing on a rich variety of archival sources including previously unexamined primary material A Feminist Legacy traces the beginnings of feminist theories of argumentation and pedagogy and their lasting legacy within the fields of education and rhetoric After the "Speculative Turn": Realism, Philosophy, and Feminism Katerina Kolozova,Eileen A. Joy,2016 Recent forms of realism in continental philosophy that are habitually subsumed under the category of speculative realism a denomination referring to rather heterogeneous strands of philosophy bringing together object oriented ontology OOO non standard philosophy or non philosophy the speculative realist ideas of Quentin Meillassoux and Marxism have provided grounds for the much needed critique of culturalism in gender theory and the authority with which post structuralism has dominated feminist theory for decades This publication aims to bring forth some of the feminist debates prompted by the so called speculative turn while demonstrating that there has never been a niche of speculative realist feminism Whereas most of the contributions featured in this collection provide a theoretical approach invoking the necessity of foregrounding new forms of realism for a feminism beyond gender as culture some of the essays tackle OOO only to invite a feminist critical challenge to its paradigm while others refer to some extent to non philosophy or the new materialisms but are not reducible to either of the two We have

invited essays from intellectual milieus outside the Anglo Saxon academic center bringing together authors from Serbia Slovenia France Ireland the UK and Canada aiming to promote feminist internationalism rather than a generous act of cultural inclusion

*Women, Culture and Society* Rutgers University, 1992-08-01 [Catching a Wave](#) Rory Dicker, Alison Piepmeier, 2016-02-01 Young women today have benefited from the strides made by grassroots social activists in the 1960s and 1970s yet they are hesitant to identify themselves as feminists and seem apathetic about carrying the torch of older generations to redress persistent sexism and gender based barriers Contesting the notion that we are in a post feminist age this provocative collection of original essays identifies a third wave of feminism The contributors argue that the next generation needs to develop a politicized collective feminism that both builds on the strategies of second wave feminists and is grounded in the material realities and culture of the twenty first century Organized in five sections that mirror the stages of consciousness raising this is an engaging often edgy look at a broad range of perspectives on the diversity complexity multiplicity and playfulness of the third wave It is also a call to action for new voices to redefine a feminism that is not only personally aware but also politically involved

[A Re-Visioning of Love](#) Ana Mozol, 2019-06-10 In *A Re-Visioning of Love* Dark Feminine Rising Ana Mozol parts the illusory veils of persona as she explores the reality of feminine experiences relating to love trauma and sexuality in contemporary Western society Mozol takes us on a personal journey through the

three levels of experience delving into the underworld and the trauma of rape the middle world and the illusions of romantic love and the upper world and the masculine spiritual ideals that fracture the feminine soul In this multidisciplinary examination of the feminine Mozol seeks to understand violence against women intrapsychically interpersonally and within the field of depth psychology The book begins with Mozol's own experiences with violence and her exploration of the demon lover complex and the stages of breaking this complex after trauma Combining personal testimony theoretical reflections historical analysis and 20 years of clinical experience Mozol uses a heuristic approach to explore personal stories clinical material dreams and depth analysis as they connect to the female individuation process We follow Mozol's journey through the middle world and the illusions of romantic love into the upper world and the complexity of Oscar Wilde's feminine character Salome who represents the rising dark feminine energy that must be reckoned with for the possibility of love to exist Accessible yet powerful Mozol uses her personal story to place the oppression of women within the Jungian context of individuation A Re-Visioning of Love Dark Feminine Rising will be key reading for academics and students of Jungian and post-Jungian studies psychotherapy trauma studies gender studies women's studies and criminology It will also be an indispensable resource for Jungian psychotherapists and analytical psychologists in practice and in training A Re-Visioning of Love however is more than a psychological exploration it is a memoir of the personal and archetypal feminine and as such will appeal to anyone interested in the story of many women today

Feminist Studies Nina Lykke, 2010-04-05 In this book feminist scholar Nina Lykke highlights current issues in feminist theory epistemology and methodology Combining introductory overviews with cutting edge reflections Lykke focuses on analytical approaches to gendered power differentials intersecting with other processes of social inclusion/exclusion based on race class and sexuality Lykke confronts and contrasts classical stances in feminist epistemology with poststructuralist and postconstructionist feminisms and also brings bodily materiality into dialogue with theories of the performativity of gender and sex This thorough and needed analysis of the state of Feminist Studies will be a welcome addition to scholars and students in Gender and Women's Studies and Sociology
