Mackenzie,1996 A good decoy needs to be an expert in canine communication and needs to know how to use this language to stimulate aggression in the dog This book explains step by step how to understand the canine paralanguage and how to use your own body to communicate with the dog It then explains the different types of natural dog aggression and how to use its own language to trigger the useful types without being abusive to the dog Decoys and Aggression also describes drills designed to develop skill in the decoy Some are designed to be conducted without dogs until the human demonstrates enough body control to work with a live animal without injuring the dog or himself This book is the first to combine inter species communication skills with the specific types of aggression known to be useful to police dog trainers As such it is essential reading for all decoys instructors and students alike as well as for K9 personnel handlers and trainers K9 Line-up Training Resi Gerritsen,Ruud Haak,Simon

Prins, 2023-02-01 Enhance your K9's detection capabilities and unlock the power of its nose with scent and odor line up training. Learn how to Master the basics of detector dog training. Train dogs in scent identification line ups and odor recognition tests. Troubleshoot common problems in scent identification and detection work. The use of detector dogs to find or identify scents or odors has a long history and has risen dramatically in recent decades in all different areas of detection including drugs, explosives, missing persons and more. But even with this increase, there remains a lack of information about the different ways to train dogs in scent identification and detection and even less about the many ways that training can go wrong. K9 training experts Resi Gerritsen, Ruud Haak and Simon Prins wrote this book so all trainers have access to the knowledge they need to train capable detector dogs. This book introduces both professional and amateur dog handlers to the basics of scent and odor line up training and their applications in K9 scent identification and detection work. From training schedules to the fascinating history of nose work in policing, this book is designed to be a practical, accessible and informative resource for K9 officers, professional or volunteer search and rescue workers, competitive dog trainers and enthusiastic hobbyists alike.
