Greenmantle John Buchan,1916 **GREENMANTLE by John Buchan** John Buchan,Dwayne Jayson,2014-07-30 I had just finished breakfast and was filling my pipe when I got Bullivant s telegram It was at Furling the big country house in Hampshire where I had come to convalesce after Loos and Sandy who was in the same case was hunting for the marmalade I flung him the flimsy with the blue strip pasted down on it and he whistled Hullo Dick you ve got the battalion Or maybe it s a staff billet You ll be a blighted brass hat coming it heavy over the hard working regimental officer And to think of the language you ve wasted on brass hats in your time I sat and thought for a bit for the name Bullivant carried me back eighteen months to the hot summer before the war I had not seen the man since though I had read about him in the papers For more than a year I had been a busy battalion officer with no other thought than to hammer a lot of raw stuff into good soldiers I had succeeded pretty well and there was no prouder man on earth than Richard Hannay when he took his Lennox Highlanders over the parapets on that glorious and bloody 25th day of September Loos was no picnic and we had had some ugly bits of scrapping before that but the worst bit of the campaign I had seen was a tea party to the show I had been in with Bullivant before the war started The sight of his name on a telegram form seemed to change all my outlook on life I had been hoping for the command of the battalion and looking forward to being in at the finish with Brother Boche But this message jerked my thoughts on to a new road There might be other things in the war than straightforward fighting Why on earth should the Foreign Office want to see an obscure Major of the New Army and want to see him in double quick time I m going up to town by the ten train I announced I ll be back in time for dinner Try my tailor said Sandy He s got a very nice taste in red tabs You can use my name An idea struck me You re pretty well all right now If I wire for you will you pack your own kit and mine and join me Right o I ll accept a job on your staff if they give you a corps If so be as you come down tonight be a good chap and bring a barrel of oysters from Sweeting s Greenmantle Annotated John Buchan,2021-04-05 Greenmantle is the second of five novels by John Buchan featuring the character of Richard Hannay first published in 1916 by Hodder Hannay s first and best known adventure *The Thirty Nine Steps* 1915 is set in the period immediately preceding the war

The second Richard Hannay thriller While the Great War rages in Europe attention turns to a German plan to infiltrate the Middle East and destabilise the region by seeding religious unrest Richard Hannay hero of The 39 Steps must undertake a perilous journey through dangerous enemy held territories in the region to stop the German plan in its tracks Richard Hannay s second adventure easily matches the first for thrills and excitement **John Buchan - Greenmantle** John Buchan,2016-09-01 A classic espionage and adventure novel set during The Great War featuring the reckless Richard Hannay Tasked with unraveling a mysterious message Hannay travels through Germany and the Middle East searching for the elusive religious leader Greenmantle Sequel to The Thirty Nine Steps and precursor to Mr Standfast [Greenmantle](#) John Buchan,2019-11-23 He disliked emotion not because he felt lightly but because he felt deeply A classic espionage and adventure novel set during The Great War featuring the reckless Richard Hannay Tasked with unraveling a mysterious message Hannay travels through Germany and the Middle East searching for the elusive religious leader Greenmantle Sequel to The Thirty Nine Steps and precursor to Mr Standfast **John Buchan: Greenmantle** John Buchan,2010-07-02

Greenmantle by John Buchan is actually based on a remarkable if little known aspect of German propaganda during World War I It involved Kaiser Wilhelm declaring himself a convert to Islam a leader of jihad as a tactic for winning the support of the Muslim territories under British control and thus fomenting an anti British revolution Richard Hannay Buchan s intrepid hero from The Thirty Nine Steps is the man entrusted to stop this plan from being carried out and his adventure takes him from London to Holland and Turkey and finally to the Russian border for a spectacular climax Complaints have been made about Buchan s racist and jingo imperialist biases as the novel easily betrays the sentiments of a la dominion over palm and pine However a fiction writer may under a certain poetic license attack creeds doctrines persons and institutions with impunity moreover a writer must be seen as a product of his age This racy lively energetic novel is best appreciated as an

excellent work of light literature The conclusion is an undeniably exciting confrontation including the charge of Cossack cavalry as Hannay engages in the final showdown between the two German villains the gross Stumm and the evil beauty Hilda von Einem
