Song 88

15 min: Family Worship That Refreshes. Interview a family regarding their family worship. Of what does their program consist? How do they determine what to discuss? What tools available on jw.org have they used? How has their program helped them in the ministry? How do they prevent other activities from disrupting their schedule? How have they benefited from their program of family worship?

15 min: “Improving Our Skills in the Ministry—Responding to Potential Conversation Stoppers.” Discussion. Consider two or three potential conversation stoppers that publishers may encounter, and invite comments on how we might respond. Remind publishers that they will have an opportunity to relate experiences during the week of April 7.

Song 97 and Prayer

Improving Our Skills in the Ministry—Responding to Potential Conversation Stoppers

Why Important: Imagine that you know that a natural disaster is imminent. People will die unless they flee to safety. You go to a neighbor’s home to warn him, but he interrupts you, saying that he is busy. Surely, you would not quickly abandon your efforts to help him! Many in our territory turn us away, not realizing the life-saving value

of our message. At the time of our visit, perhaps they are preoccupied. (Matt. 24:37-39) Or maybe they have been prejudiced by untrue rumors. (Matt. 11:18, 19) They might assume that we are no different from the religions that have produced bad fruitage. (2 Pet. 2:1, 2) If the householder initially is not interested, we should not be quick to give up.

How to Do It:

- Before preaching from house to house, take a few moments to think about potential conversation stoppers that you may encounter and consider how to respond.
- If the householder presents an objection, gently try to continue the conversation. Perhaps you can do that by commending him. For example, if he says that he has his own religion, you might reply, “I was hoping to find someone like you who has an interest in spiritual things.” Sometimes acknowledging the householder’s feelings or circumstances will enable you to continue giving a witness. For instance, if he says that he is busy, you might say: “I understand. But before I leave, I would like to give you this.” Another option is to ask a question if the householder says that he is not interested. You could say, “Do you mean that you are not interested in the Bible, or is it religion in general that does not interest you?”
- Use good judgment. Remember that Jehovah does not force people to listen. (Deut. 30:19) Everyone must carry his own load of spiritual responsibility. (Gal. 6:5) If the householder is adamant, it is best to take our leave. By demonstrating respect for his feelings, we may open the door for another publisher to give a witness in the future. —1 Pet. 3:15.

Try This During the Month:

- When you encounter a potential conversation stopper, after leaving the householder, discuss with your partner how you might have responded in a better way.

Jw Our Kingdom Ministry 2014 July:

The Politics of Spiritual Work in Christian Movements Aini Linjakumpu, 2025-08-06 This book examines how three conservative Christian movements Jehovah's Witnesses, Conservative Laestadians and the Old Order Amish attribute spiritual meanings to both paid employment and voluntary work and how work functions as a tool of governance within these communities. A central concept developed in this book is spiritual work used to describe forms of labour imbued with religious meaning and purpose. This book offers a detailed analysis of how religious interpretations of work regulate members' lives and sustain internal power dynamics. By tracing both the theological roots and social consequences of these interpretations, the study demonstrates that work is not merely an economic necessity but a central component of the moral and spiritual order within these movements. Framed by perspectives from the study of power and governance, this book identifies three key dimensions through which governance operates via work: shaping individual spirituality, reinforcing communal belonging and cohesion, and regulating the boundary between the religious community and the outside world.

Minority Religions and Religious Tolerance Zoe Knox, Emily B. Baran, 2025-09-04 This book is founded on a simple premise: that Jehovah's Witnesses are a crucial litmus test for tolerance. When Witnesses do not enjoy basic freedoms to practice their faith, scholars should consider what their treatment reveals about the broader state of tolerance and respect for religious pluralism and religious minority groups. They should also examine how the Witnesses' struggle for acceptance has shaped religious freedom and the protections enshrined in law in many modern states in the twenty-first century. This is what the authors call the Jehovah's Witness test. The contributors have run the JW test across a range of countries from Egypt and Mexico to Russia and South Korea, addressing religious, political and medical opposition and their outcomes for modern states and societies. They bring to their conclusions a wealth of perspectives; among them are medical experts, sociologists, political scientists, historians, anthropologists and representatives of the Witness community. Taken together, this volume is a call for scholars to look to the treatment of Jehovah's Witnesses as a barometer for the overall health of religious tolerance and basic civil liberties in our contemporary world.

Bones around My Neck Tamara Loos, 2016-10-11 Prince Prisdang Chumsai, 1852-1935, served as Siam's first diplomat to Europe during the most dramatic moment of Siam's political history when its independence was threatened by European imperialism. Despite serving with patriotic zeal, he suffered irreparable social and political ruin based on rumors about fiscal corruption, sexual immorality and political treason. In *Bones around My Neck*, Tamara Loos pursues the truth behind these rumors which chased Prisdang out of Siam. Her book recounts the personal and political adventures of an unwitting provocateur who caused a commotion in every country he inhabited. Prisdang spent his first five years in exile from Siam, living in disguise as a commoner and employee of the British Empire in colonial Southeast Asia. He then resurfaced in the 1890s in British Ceylon where he was ordained as a Buddhist monk and became a widely respected abbot. Foreigners from around the world were drawn to this prince who had discarded wealth and royal status to

lead the life of an ascetic His fluency in English royal blood acute intellect and charisma earned him importance in international diplomatic and Buddhist circles Prisdang s life journey reminds us of the complexities of the colonial encounter and the recalibrations it caused in local political cultures His drama offers more than a story about Siamese politics it also casts in high relief the subjective experience of global imperialism Telling this history from the vantage point of a remarkable individual grounds and animates the historical abstractions of imperialism Buddhist universalism and the transformation of Siam into a modern state
